DUBLIN, Oct. 22, 2025 /PRNewswire/ -- [Alkermes plc](#) (Nasdaq: ALKS) ("Alkermes") and Avadel Pharmaceuticals plc (Nasdaq: AVDL) ("Avadel") today announced that the companies have entered into a definitive agreement under which Alkermes will acquire Avadel, a commercial-stage biopharmaceutical company, for total transaction consideration of up to \$20.00 per share in cash, which values Avadel at approximately \$2.1 billion and represents a premium of 38% to the weighted average trading price of Avadel over the three months prior to today's announcement and a premium of 12% to Avadel's closing price on Oct. 21, 2025 (being the last business day prior to publication of this announcement). The transaction has been approved by the boards of directors of both companies and is expected to close in the first quarter of 2026.

The planned acquisition adds Avadel's FDA-approved product, LUMRYZ™ (sodium oxybate) for the treatment of cataplexy or excessive daytime sleepiness in patients over 7 years of age with narcolepsy, to Alkermes' commercial portfolio. This strategic move accelerates Alkermes' entry into the sleep medicine market and enhances its ability to unlock the full potential of its late-stage development pipeline focused on central disorders of hypersomnolence. The transaction is expected to be immediately accretive upon closing and represents a compelling financial and strategic opportunity, leveraging Alkermes' existing commercial expertise and operational infrastructure and adding new capabilities in rare disease.

Avadel is a recognized innovator in the sleep medicine space, committed to addressing significant unmet needs for patients. Since launching LUMRYZ™ in 2023, Avadel has successfully built and scaled a commercial organization that has driven strong demand. Approximately 3,100 patients were on LUMRYZ™ therapy as of June 30, 2025, with new patient starts outpacing the twice-nightly mixed-salts competitor by more than 2:1 since July 2023. With net revenues of \$265 – \$275 million expected in 2025 and an estimated population of >50,000 oxybate-eligible narcolepsy patients in the United States, LUMRYZ™ has been on a robust growth trajectory, with significant opportunity for growth ahead.

"This transaction represents a pivotal step in Alkermes' strategic evolution. With the acquisition of Avadel, we are able to accelerate our commercial entry into the sleep medicine market at a critical inflection point as we prepare to advance alixorexton into a phase 3 program in narcolepsy. Avadel's innovative portfolio, commercial capabilities and dedicated employees provide a strong foundation for growth in this therapeutic area. Enabled by our strong balance sheet, this all-cash transaction enhances our revenue growth profile and is expected to be immediately accretive, reinforcing our commitment to delivering long-term value for shareholders," said Richard Pops, Chief Executive Officer of Alkermes.

"This transaction represents a compelling outcome for our shareholders and a powerful validation of our strategy, execution, commercial capabilities and the differentiated value of LUMRYZ™. We've built a company deeply committed to transforming the lives of people living with narcolepsy, and I'm incredibly proud of what our team has accomplished. Alkermes shares our passion for innovation and patient impact and, together, we will continue this important work on behalf of people living with central disorders of hypersomnolence," said Greg Divis, Chief Executive Officer of Avadel.

Strategic Rationale

- The acquisition of Avadel and its commercial product, LUMRYZ™, positions Alkermes as a key player in the commercial sleep medicine market.
- LUMRYZ™, the first and only once-at-bedtime oxybate for narcolepsy, is approved for the treatment of cataplexy or excessive daytime sleepiness in patients 7 years of age or older with narcolepsy. Its once-nightly dosing offers a differentiated product profile with strong market uptake since its launch and significant growth potential.
- Avadel's established and proven commercial infrastructure and experience in rare disease provide a strong foundation for the potential launch of alixorexton, Alkermes' orexin 2 receptor agonist candidate in development for the treatment of narcolepsy and idiopathic hypersomnia.
- The transaction is expected to be immediately accretive and to enhance Alkermes' revenue growth profile and profitability upon closing, expected in the first quarter of 2026.
- The financial strength and capabilities of the combined organization will support a broad development strategy for Alkermes' portfolio of orexin 2 receptor agonists, including ALKS 4510 and ALKS 7290, which are currently in phase 1 studies. In addition, the combined resources will support the advancement of clinical studies to support potential label

expansion opportunities for LUMRYZ™, currently being studied in a phase 3 clinical trial in patients with idiopathic hypersomnia, and the potential advancement of valiloxylate, Avadel's in-licensed salt-free, once-at-bedtime oxybate candidate in clinical development.

- Integration of Avadel's operations is expected to drive certain cost synergies and operational efficiencies as Alkermes prepares for the potential commercial launch of alixorexton, its lead orexin development candidate.

Transaction Details

Taken together, this potential per share acquisition price represents an equity value of approximately \$2.1 billion. Alkermes expects to finance the acquisition with cash on hand, supplemented by the issuance of new debt. The transaction, which has been approved by the boards of directors of both Alkermes and Avadel, is expected to close in the first quarter of 2026, subject to the Conditions set out in Appendix III of this Announcement, including certain regulatory approvals and approvals by Avadel's shareholders.

1. Introduction

The board of directors of Alkermes plc ("**Alkermes**" or "**Parent**") and Avadel Pharmaceuticals plc ("**Avadel**" or the "**Company**") are pleased to announce that they have entered into a definitive agreement, pursuant to which Alkermes will, subject to the satisfaction of the Conditions (including approval by the Company Shareholders and the High Court) acquire the entire issued and to be issued ordinary share capital of the Company for cash and contingent value rights ("**CVRs**") (the "**Acquisition**").

- A premium of approximately 27% to the closing price of \$15.80 per Company Share on October 20, 2025; and
- a premium of approximately 12% to the closing price of \$17.87 per Company Share on October 21, 2025 (being the Business Day prior to the date of this Announcement).

Alternatively, in the event that the Milestone Payment is not made, the Acquisition represents:

- a premium of approximately 27% to the weighted average trading price of the Company Shares over the three months to October 21, 2025 (being the Business Day prior to the date of this Announcement);
- a premium of approximately 17% to the closing price of \$15.80 per Company Share on October 20, 2025; and
- a premium of approximately 4% to the closing price of \$17.87 per Company Share on October 21, 2025 (being the Business Day prior to the date of this Announcement).

Assuming the Milestone Payment is made, the Acquisition values the entire issued and to be issued ordinary share capital of the Company at approximately \$2.1 billion on a fully diluted basis calculated using the Treasury Stock Method.

It is intended that the Acquisition will be implemented by way of a High Court-sanctioned scheme of arrangement under Chapter 1 of Part 9 of the Act (although Alkermes reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the terms of the Transaction Agreement, compliance with the Takeover Rules and with the consent of the Irish Takeover Panel).

The Acquisition is expected to be taxable, to the Company Shareholders, for U.S. federal income tax purposes.

The sources and bases of information contained in this Announcement to calculate the implied value of the Acquisition are set out in Appendix I (Sources and Bases of Information).

Capitalized terms used in this Announcement and not otherwise defined have the meaning given to them in Appendix II (Definitions).

3. CVRs

The CVRs will be constituted subject to the terms of the CVR Agreement. The CVRs are intended to afford Company Shareholders an opportunity to benefit from the achievement of the Milestone in accordance with the terms of the CVR Agreement.

Subject and pursuant to the terms of the CVR Agreement, each CVR will represent the contractual right to receive the Milestone Payment upon the occurrence of each of: (1) approval by the United States Food and Drug Administration (the "FDA") of an application submitted to the FDA for the commercial marketing and sale of the CVR Product in the United States for the Indication; provided, that, such approval shall be deemed achieved upon receipt of written notice from the FDA that the CVR Product has been approved for the Indication in the United States and which is not blocked by any third party orphan-drug exclusivity, regardless of whether any risk evaluation and mitigation strategies or other conditions are imposed by the FDA ("LUMRYZ Approval"); and (2) the dismissal of the Claims with prejudice by the United States District Court for the District of Delaware pursuant to the Settlement and License Agreement, by and between Jazz Pharmaceuticals, Inc. and Jazz Pharmaceuticals Ireland Limited, on the one hand, and Avadel CNS Pharmaceuticals LLC and Flamel Ireland Limited, on the other hand, dated October 21, 2025 between the Company and Jazz Pharmaceuticals, Inc. (such occurrence, the "Legal Event," and together with LUMRYZ Approval, the "Milestone"). If the FDA has issued one or more orders that impose a clinical hold on the investigation of the CVR Product, the Milestone shall not be deemed achieved unless or until no such order is in effect.

The CVRs are complex instruments and a number of factors will determine whether any amount will actually be paid to CVR holders in accordance with the terms of the CVR Agreement. If the Milestone is not achieved by the Milestone Expiration, then the CVRs will have no value. The minimum payment under each CVR is zero; if the Milestone Payment is made, the payment under each CVR is \$1.50.

Further details in respect of the CVRs will be contained in the Proxy Statement (which will contain the Scheme Document). There is no certainty of the Milestone being achieved or that any payment will be made pursuant to the CVRs. There will be no interest conferred by a CVR in the economic activities of the Parent Group generally or the Company Group generally. No cash confirmation exercise has been undertaken by Alkermes to verify that resources will be available sufficient to satisfy any payments that may become due in respect of the CVRs. J.P. Morgan, as financial advisor to Alkermes, has not been required to confirm, and has not confirmed, that resources are available sufficient to satisfy any payments that may become due in respect of the CVRs and CVR holders will be at risk if, for any reason, such resources are not available.

The CVRs may not be sold, assigned, transferred, pledged, encumbered or in any other manner transferred or disposed of, in whole or in part, other than through a "Permitted CVR Transfer" in accordance with the terms of the CVR Agreement. Under the terms of the CVR Agreement, a "Permitted CVR Transfer" means a transfer of CVRs (a) by will or intestacy upon the death of a CVR holder; (b) by instrument to an inter vivos or testamentary trust in which the CVRs are to be passed to beneficiaries upon the death of the settlor; (c) pursuant to a court order; (d) by operation of Law (including by consolidation or merger of the CVR holder) or if effectuated without consideration in connection with the dissolution, liquidation or termination of any CVR holder that is a corporation, limited liability company, partnership or other entity; (e) in the case of CVRs held in book-entry or other similar nominee form, from a nominee to a beneficial owner and, if applicable, through an intermediary; (f) if the CVR holder is a partnership or limited liability company, a distribution by the transferring partnership or limited liability company to its partners or members, as applicable (provided that such distribution or transfer does not subject the CVRs to a requirement of registration under the Securities Act or the Exchange Act); or (g) to Alkermes, as provided under the terms of the CVR Agreement.

No application will be made for the CVRs to be listed or dealt on any exchange. The CVRs will not be represented by any certificate or other instrument. The holders of CVRs will not have any voting or dividend rights and the CVRs will not represent any equity or ownership interest in Alkermes or the Company. No interest is payable in respect of the CVRs so long as required payments are made in a timely manner.

The CVRs will be governed by and construed in accordance with the laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof.

If the Laws of any relevant jurisdiction make it illegal for a Company Shareholder to hold CVRs or would require any qualification of the CVRs under any applicable Law or regulations, such Company Shareholder may not be able to hold the CVRs or receive the amounts which may be payable thereon.

It is expected that confirmation of the achievement of the Milestone, if any, will be communicated to Company Shareholders by separate announcement on or about the date the Milestone is satisfied (if at all).

Further details of the CVRs will be contained in the Proxy Statement (which will also include the Scheme Document).

4. Alkermes Background to and Reasons for the Acquisition

Alkermes believes that there is a compelling strategic and financial rationale for undertaking the Acquisition, which is expected to deliver the following benefits:

- The acquisition of Avadel and its commercial product, LUMRYZ™, positions Alkermes as a key player in the commercial sleep medicine market.
- LUMRYZ™, the first and only once-at-bedtime oxybate for narcolepsy, is approved for the treatment of cataplexy or excessive daytime sleepiness in patients 7 years of age or older with narcolepsy. Its once-nightly dosing offers a differentiated product profile with strong market uptake since its launch and significant growth potential.
- Avadel's established and proven commercial infrastructure and experience in rare disease provide a strong foundation for the potential launch of alixorexton, Alkermes' orexin 2 receptor agonist candidate in development for the treatment of narcolepsy and idiopathic hypersomnia.
- The transaction is expected to be immediately accretive and to enhance Alkermes' revenue growth profile and profitability upon closing, expected in the first quarter of 2026.
- The financial strength and capabilities of the combined organization will support a broad development strategy for Alkermes' portfolio of orexin 2 receptor agonists, including ALKS 4510 and ALKS 7290, which are currently in phase 1 studies. In addition, the combined resources will support the advancement of clinical studies to support potential label expansion opportunities for LUMRYZ™, currently being studied in a phase 3 clinical trial in patients with idiopathic hypersomnia, and the potential advancement of valiloxibate, Avadel's in-licensed salt-free, once-at-bedtime oxybate candidate in clinical development.
- Integration of Avadel's operations is expected to drive certain cost synergies and operational efficiencies, as Alkermes prepares for the potential commercial launch of alixorexton, its lead orexin development candidate.

Further detail in respect of the background to and reasons for the Acquisition will be included in the Proxy Statement (which will include the Scheme Document).

5. Avadel Background to and Reasons for Recommending the Acquisition

Avadel is a biopharmaceutical company focused on transforming medicines to transform lives. The Company's approach includes applying innovative solutions to the development of medications that address the challenges patients face with current treatment options. The Company's commercial product, LUMRYZ™, was approved by the FDA as the first and only once-at-bedtime oxybate for the treatment of cataplexy or EDS in patients seven years of age and older with narcolepsy.

Following receipt of an unsolicited proposal on July 4, 2025, from Alkermes to acquire the entire issued and to be issued ordinary share capital of the Company for cash (the "Unsolicited Proposal"), the Company Board, together with the Company's senior management, and with the assistance of representatives of its outside advisors, met to discuss the Unsolicited Proposal and the Company Board determined that the proposed offer price was insufficient to warrant any substantive discussions or allow access to any due diligence and rejected the proposal.

During the next six weeks, Alkermes made two subsequent proposals at higher prices before the Company Board determined that the proposed price was sufficient to permit Alkermes to receive access to limited additional information to support Alkermes considering an enhanced offer. Subsequently, after a period of initial preliminary diligence, Alkermes submitted a revised proposal for the Company of \$18 per Company Share in cash consideration, plus a CVR of up to \$2 per Company Share, with payment contingent upon on the achievement by the Company of certain milestone events, equating to (in circumstances where all then proposed milestones upon which the CVR was to be contingent were achieved) a total of up to

\$20 per Company Share (the "October 1 Alkermes Proposal"). The Company Board convened and agreed to provide full diligence to Alkermes.

On October 16, 2025, the Company accepted a non-binding proposal to settle its then ongoing litigation with Jazz (which was subsequently memorialized in a binding settlement agreement executed with Jazz on October 21, 2025 as announced today). Details of the settlement were provided to Alkermes to enable this factor to be considered in the valuation of the Company.

On October 16, 2025, after a further period of negotiation, Alkermes updated its proposal to \$18.50 per Company Share in cash consideration and a CVR representing a potential additional payment of \$1.50 per share, based on the achievement by the Company of the Milestone, equating to a total of \$20 per Company Share (in circumstances where the Milestone upon which the CVR is contingent is achieved), to reflect the positive impact of the agreed settlement with Jazz on the Company's valuation (the "October 16 Alkermes Proposal").

On October 19, 2025, the Company Board carefully considered the terms of the October 16 Alkermes Proposal, consulted with Company senior management and representatives of its financial and legal advisors, and considered a number of factors, each of which was supportive of its unanimous decision to approve the Acquisition and of its resolution to recommend the Acquisition to the Company Shareholders as set out below.

The Company believes Alkermes has the capacity to maximize the value of the Company's current portfolio and accelerate the ability for LUMRYZ™ to reach more patients globally with increased global commercial scale as well as enhanced R&D and technology capabilities to rapidly advance the pipeline to develop more therapies for patients who are underserved.

Further detail in respect of the background and reasons for recommending the Acquisition will be included in the Proxy Statement (which will include the Scheme Document).

6. Company Board Recommendation

Having taken into account the relevant factors, applicable risks and alternatives available to the Company, the Company Board, which has been so advised as to the financial terms of the Acquisition by Morgan Stanley & Co. LLC ("Morgan Stanley") and Goldman Sachs & Co. LLC ("Goldman Sachs"), as financial advisors and Rule 3 advisors to the Company, considers the terms of the Acquisition to be fair and reasonable. In providing their advice to the Company Board, Morgan Stanley and Goldman Sachs have taken into account the commercial assessments of the Company Board.

Accordingly, the Company Board intends to unanimously recommend to the Company Shareholders to vote in favor of the Scheme Meeting Resolution and the Required EGM Resolutions or, if the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer, as the members of the Company Board who hold Company Shares and equity awards in respect of Company Shares intend to do in respect of their own beneficial holdings of, in the aggregate, 4,129,016 Company Shares as of the date of this Announcement.

7. The Scheme Process

It is intended that the Acquisition will be effected by means of a High Court sanctioned "scheme of arrangement" in accordance with Chapter 1 of Part 9 of the Act pursuant to which Alkermes will acquire all of the outstanding Company Shares in exchange for the Consideration. The Acquisition will be subject to the Conditions set out in Appendix III to this Announcement and to be set forth in the Scheme described in the Scheme Document which will be delivered to Company Shareholders.

To become effective, the Scheme will require, among other things, the approval of:

- the Scheme Meeting Resolution by a majority in number of members of each class of Company Shareholders (including as may be directed by the High Court pursuant to Section 450(5) of the Act) representing, at the relevant voting record time, at least seventy-five percent (75%) in value of the Company Shares of that class held by Company Shareholders, in each case present and voting either in person or by proxy at the Scheme Meeting (or at any adjournment or postponement of such meeting); and
- each of the Required EGM Resolutions being duly passed by the requisite majorities of Company Shareholders at the EGM (or any adjournment or postponement thereof).

Following the approvals noted above being obtained and the satisfaction or (where applicable) waiver of the other conditions to the consummation of the Scheme, the sanction of the High Court will also be required for the Scheme to become effective. The Acquisition is also subject to the satisfaction or (where applicable) waiver of the other Conditions as more particularly set out in Appendix III of this Announcement.

Assuming the necessary approvals from the Company Shareholders have been obtained and all other conditions have been satisfied or waived (where applicable), the Scheme will become effective in accordance with its terms upon delivery to the Irish Registrar of Companies of a copy of the Court Order of the High Court sanctioning the Scheme. Upon the Scheme becoming effective, the Scheme will be binding on all Company Shareholders, irrespective of whether or not they attended or voted in person or by proxy at the Scheme Meeting or the EGM.

It is expected that the Proxy Statement (which will contain the Scheme Document), containing further information about the Acquisition, the expected timetable for completion of the Acquisition, action to be taken by Company Shareholders and notices of the Scheme Meeting and the EGM, will be published as soon as reasonably practicable after this Announcement.

Subject to satisfaction or waiver (as applicable) of the Conditions, the Acquisition is expected to be completed in the first quarter of 2026.

If the Scheme does not become effective on or before the End Date, it will lapse and the Acquisition will not proceed (unless the Company and Alkermes otherwise agree and the Irish Takeover Panel otherwise consents).

8. The Conditions

As well as being conditional upon the Company Shareholder Approval and the Scheme becoming effective as described in paragraph 7 (*The Scheme Process*) above, the Acquisition is also subject to receipt of certain other conditions as summarized below.

The Acquisition is subject to the satisfaction or waiver (as applicable) of the Conditions, which are set out in full in Appendix III (Conditions of the

Acquisition and the Scheme) to this Announcement, including, in summary:

- (a) the approval by the Company Shareholders of the Scheme;
- (b) the sanction by the High Court of the Scheme;
- (c) the receipt of required antitrust Clearances in the United States;
- (d) the Transaction Agreement not having been terminated in accordance with its terms;
- (e) the absence of a Company Material Adverse Effect that is continuing;
- (f) the absence of a Parent Material Adverse Effect that is continuing;
- (g) the accuracy of each of the Parties' representations and warranties, except generally as would not have a material adverse effect on such Party; and
- (h) the performance by each Party, in all material respects, with all of its covenants and agreements under the Transaction Agreement.

The Scheme Document, which will be contained in the Proxy Statement, will be mailed to Company Shareholders as soon as reasonably practicable after a definitive Proxy Statement is filed with the SEC. The Scheme Document will contain further information relating to the implementation of the Acquisition, the full terms and Conditions of the Scheme, the notices of the Scheme Meeting, which is to be convened by resolution of the Company Board or direction of the High Court, and the separate EGM required to approve the Scheme, and related resolutions and the expected timetable for approval.

The Proxy Statement will contain important information about the Acquisition (including the Scheme), the Transaction Agreement, the Scheme Meeting and the EGM.

10. About Avadel

Avadel Pharmaceuticals plc (Nasdaq: AVDL) is a biopharmaceutical company focused on transforming medicines to transform lives. Avadel's approach includes applying innovative solutions to the development of medications that address the challenges patients face with current treatment options. Avadel's commercial product, LUMRYZ™, was approved by the FDA as the first and only once-at-bedtime oxybate (for extended-release oral suspension) for the treatment of cataplexy or excessive daytime sleepiness (EDS) in patients 7 years and older with narcolepsy. For more information, please visit Avadel's website at www.avadel.com.

11. Effect of the Scheme on Company Share Plans

In accordance with Rule 15 of the Takeover Rules, Alkermes will make appropriate proposals to participants of the Company Share Plans in relation to the options and awards under the Company Share Plans. Participants will be contacted separately, at or as soon as possible after the time of publication of the Scheme Document, regarding the effect of the Acquisition on their options and awards under the Company Share Plans and the relevant details will be summarized in the Scheme Document.

The Scheme will extend to any Company Shares which are unconditionally allotted or issued at or before the Effective Time, including those allotted or issued to satisfy the exercise of options or vesting of awards under the Company Share Plans.

12. Management, Employees and Locations

As described in paragraph 4 (*Alkermes Background to and Reasons for the Acquisition*) above, Alkermes believes there is a compelling strategic rationale for undertaking the Acquisition, which would position the Combined Group as a leader in sleep medicine. Alkermes recognizes the skills, knowledge and experience of the Company's employees and is excited to work with them to further expand the commercial portfolio and development pipeline, and grow the value, of the Combined Group in the longer term. Following this Announcement, to the extent permitted by applicable Antitrust Laws, Alkermes intends to engage with the Company's senior management in integration planning, including a review of the Company's business. While the parameters of the review have not yet been finalized, Alkermes expects that it will involve evaluating the best way in which to further maximize the value of the Combined Group's sleep disorder portfolio through commercial execution and investments in clinical development.

In addition, the review will also include an assessment of how best to combine the operations of Alkermes and the Company in order to achieve some of the expected benefits of the Acquisition (including the cost synergies identified in paragraph 4 (*Alkermes Background to and Reasons for the Acquisition*) above). The review would aim to identify and assess integration benefit opportunities, and to ascertain any areas in which a reduction in the number of employees of the Combined Group may be appropriate. Alkermes has not yet carried out the review referred to above and, except as described below, has not reached any conclusions as to its likely outcome nor made any decisions in relation to specific actions that may be taken in relation to the integration of Alkermes and the Company.

12.1 Management and Employees

Alkermes attributes significant value to the Company Group's management and employees, whose contributions will be key to growing the value of the enlarged business of Alkermes in the longer term.

Alkermes will safeguard the existing employment rights, including pension rights, of the Company Group's management and employees as required by

applicable Law. Alkermes does not envisage any material change in the conditions of employment of the management and employees of the Combined Group as a result of the Acquisition. Under the Transaction Agreement, Alkermes has given certain assurances in relation to the continuation of certain existing compensation and employment benefit arrangements of the Company Group's employees following the Acquisition. Further details in this regard will be included in the Scheme Document.

While Alkermes has not yet begun to carry out the review of the Company's business referred to above and has not reached any conclusions as to its likely outcome or made any decisions in relation to any specific actions that may be taken as a result of this evaluation in relation to the Combined Group, Alkermes currently anticipates that there will be some operational and administrative reorganization of the Company Group required following Completion. This will also facilitate the integration of the two businesses as part of the Combined Group. In particular, certain central corporate and support functions, including those relating to the Company's status as a listed company, may no longer be required on a standalone basis or may be reduced in scope. No decisions have been made as to the number of employees or the roles and locations that may be affected. Alkermes also currently anticipates that there may be opportunities for the Combined Group to realize cost efficiencies from leveraging Alkermes' existing systems and processes across various functions.

The non-executive directors of the Company intend to resign as directors of the Company with effect from Completion.

12.2 Headquarters, locations of business and fixed assets

Following Completion, the global headquarters of the Combined Group will be located at Alkermes' current global headquarters in Dublin, Ireland.

Alkermes will, as part of its review of the Company's business referred to above, evaluate the consolidation of some or all of the Company's locations of business, including functions currently undertaken at the Company's U.S. headquarters in St. Louis, Missouri, into Alkermes' global headquarters in Dublin, Ireland and other locations of Alkermes across the United States.

No material changes are envisaged by Alkermes with respect to the redeployment of the Company's fixed asset base.

12.3 Trading facilities

The Company Shares are currently listed on the Nasdaq Global Market and, as set out in paragraph 13 (*Delisting of Company Shares*) below, subject to and following the Scheme becoming effective, the Company Shares will be delisted from the Nasdaq Global Market and deregistered, as promptly as practicable after the Effective Time, and in any event no more than ten days after Completion.

13. Delisting of Company Shares

It is intended that, subject to and following the Scheme becoming effective, and subject to applicable laws and rules and policies of Nasdaq, the Company Shares will be delisted from the Nasdaq Global Market and deregistered, along with any other Company securities registered under the Exchange Act, if any, as promptly as practicable after the Effective Time.

14. Transaction Agreement

The Company and Alkermes have entered into the Transaction Agreement, dated October 22, 2025, which contains certain assurances, obligations and commitments in relation to the implementation of the Acquisition, including provisions in relation to the conduct of the Company's business between the date of this Announcement and the Effective Time. A copy of the Transaction Agreement is appended to this Announcement at Appendix IV (Transaction Agreement) and a summary of the principal terms of the Transaction Agreement will be set out in the Proxy Statement (which will include the Scheme Document).

The Transaction Agreement contains customary provisions restricting the Company from soliciting alternative acquisitions. The Transaction Agreement provides that neither the Company Board nor the Company shall make a Company Board Change of Recommendation for a Company Superior Proposal or a Company Intervening Event or terminate the Transaction Agreement in order to substantially concurrently enter into a definitive agreement providing for a Company Superior Proposal, unless, among other things, prior to taking such action, the Company Board has determined, in good faith, that failure to take such action would be inconsistent with its fiduciary duties under applicable Law and that the relevant Company Alternative Proposal constitutes a Company Superior Proposal and the Company has notified Alkermes in writing at least five (5) Business Days before taking such action, that the Company intends to take such action, and has discussed and negotiated in good faith with Alkermes regarding any proposal by Alkermes to amend the Transaction Agreement.

The Transaction Agreement includes provisions pursuant to which the Company has agreed to reimburse Alkermes in certain circumstances set out below for an amount equal to all documented, specific, quantifiable third party costs and expenses incurred, directly or indirectly, by Alkermes or its Subsidiaries, or on their behalf, for the purposes of, in preparation for, or in connection with the Acquisition, including third party costs and expenses incurred in connection with exploratory work carried out in contemplation of and in connection with the Acquisition, legal, financial and commercial due diligence, the arrangement of financing and the engagement of third party representatives to assist in the process (the "Expenses Reimbursement Provisions"). The gross amount payable by the Company to Alkermes for such reimbursement shall not, in any event, exceed \$19.3 million (being 1% of the aggregate value of the total Cash Consideration payable with respect to the Company Shares in connection with the Acquisition (excluding, for clarity, any interest in such share capital of the Company held by Alkermes or any person Acting in Concert with Alkermes)).

If the Transaction Agreement is terminated pursuant to its terms, Alkermes' receipt of such reimbursement payment (to the extent owed by the Company pursuant to the Transaction Agreement) and Alkermes' right to seek specific performance will be the sole and exclusive remedies of Alkermes against any of the Company and its Affiliates, including for any failure to consummate the transactions contemplated by the Transaction Agreement or any Claims or actions under applicable Laws arising out of any breach, termination or failure by the Company and its Affiliates to perform any covenant or agreement in the Transaction Agreement.

The amount payable by the Company to Alkermes under the Expenses Reimbursement Provisions will exclude any amounts in respect of VAT (as defined in the Transaction Agreement) incurred by Alkermes or any member of the Parent Group attributable to such third-party costs other than irrevocable VAT incurred by Alkermes or its Subsidiaries.

The circumstances in which such payment will be made by the Company are, if the Transaction Agreement is terminated:

- (a) by Alkermes pursuant to a Change of Recommendation Termination (as defined in the Transaction Agreement); or
- (b) by the Company pursuant to a Superior Proposal Termination (as defined in the Transaction Agreement); or
- (c) all of the following occur:

(i) the Transaction Agreement is terminated (x) by Alkermes pursuant to a Company Breach Termination as a result of a material breach or failure to perform any covenant or agreement in the Transaction Agreement described in Section 9.1(a)(iii)(A) of the Transaction Agreement that (except with respect to a breach of Section 5.2 of the Transaction Agreement) first occurred following the making of a Company Alternative Proposal referred to in Section 9.1(a)(iii)(B) of the Transaction Agreement or (y) by Alkermes or the Company pursuant to a Non-Approval Termination pursuant to Section 9.1(a)(i)(A) of the Transaction Agreement, but if such termination is by the Company at such time Alkermes would be permitted to terminate the Transaction Agreement;

(ii) prior to the date of such termination, a Company Alternative Proposal was publicly disclosed or announced and not withdrawn (or, in the case of a Company Breach Termination as a result of a material breach or failure to perform any covenant or agreement in the Transaction Agreement, was made publicly or privately to the Company Board), or any Person shall have publicly announced an intention (whether or not conditional) to make a Company Alternative Proposal that has not been withdrawn at least three business days prior to the EGM; and

(iii) (x) a Company Alternative Proposal is consummated within 12 months after such termination, or (y) a definitive agreement providing for a Company Alternative Proposal is entered into within 12 months after such termination and is subsequently consummated (it being understood that, for purposes of Section 9.2(b)(iii)(C) of the Transaction Agreement, references to "20%" in the definition of Company Alternative Proposal shall be deemed to refer to "50%").

Goldman Sachs and Morgan Stanley as Rule 3 advisors to the Company and the Company have confirmed in writing to the Panel that, in the opinion of Goldman Sachs, Morgan Stanley and the Company (respectively), in the context of the note to Rule 21.2 of the Takeover Rules and the Acquisition, the Expenses Reimbursement Provisions are in the best interests of the Company Shareholders. The Irish Takeover Panel has consented to the Company entering into the Expenses Reimbursement Provisions.

15. Financing

Alkermes has secured fully underwritten financing commitments from JPMorgan Chase Bank, N.A., for an aggregate amount of \$1.2 billion, to finance, together with Alkermes' own cash resources, the Acquisition. Further information on the financing of the Acquisition will be set out in the Scheme Document.

J.P. Morgan Securities plc, in its capacity as financial advisor to Alkermes, is satisfied that sufficient resources are available to Alkermes to enable it to satisfy in full the Cash Consideration payable to Company Shareholders under the terms of the Acquisition.

No cash confirmation exercise has been undertaken by Alkermes to verify that sufficient resources will be available to it to satisfy any payments that may become due in respect of the CVRs. J.P. Morgan Securities plc, as financial advisor to Alkermes, has not been required to confirm, and has not confirmed, that sufficient resources are available to Alkermes to satisfy any payments that may become due in respect of the CVRs.

16. Other Acquisition-related Arrangements

The Company and Alkermes entered into the Confidentiality Agreement, dated as of August 24, 2025, pursuant to which the Company and Alkermes have undertaken, amongst other things, to: (a) keep confidential information relating to the Acquisition and not to disclose it to third parties (other than certain permitted parties) unless required by Law or regulation; and (b) use the confidential information for the sole purpose of evaluating and participating in discussions regarding the Acquisition. The Confidentiality Agreement also includes standstill provisions, pursuant to which Alkermes has agreed to certain restrictions in respect of dealings in Company Shares, and solicitation or engagement in respect of competing transactions, subject to customary standstill termination provisions, for a period of one (1) year from the date of the Confidentiality Agreement.

17. Disclosure of Interests in Relevant Securities of the Company

Save as described above, as at the close of business on October 21, 2025 (being the last Business Day prior to the release of this Announcement), none of Alkermes or, so far as Alkermes is aware, any person Acting in Concert with Alkermes:

- (a) had an interest in relevant securities of the Company;
- (b) had any short position in relevant securities of the Company;
- (c) had received an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of Company; or
- (d) had borrowed or lent any Company Shares.

Furthermore, no arrangement to which Rule 8.7 of the Takeover Rules applies exists between Alkermes or the Company or a person Acting in Concert with Alkermes or the Company in relation to Company Shares. For these purposes, an "arrangement to which Rule 8.7 of the Takeover Rules applies" includes any indemnity or option arrangement, and any agreement or understanding, formal or informal, of whatever nature, between two or more persons relating to relevant securities which is or may be an inducement to one or more of such persons to deal or refrain from dealing in such securities.

In the interests of confidentiality, Alkermes has made only limited enquiries in respect of certain parties who may be deemed by the Irish Takeover Panel to be Acting in Concert with it for the purposes of the Acquisition. Further enquiries will be made to the extent necessary as soon as practicable following the date of this Announcement and any disclosure in respect of such parties will be included in the Scheme Document.

18. Derogation from Rule 24.1(b) as amended by Section 3(7) of Appendix 4 of the Takeover Rules

Rule 24.1(b) as amended by Section 3(7) of Appendix 4 of the Takeover Rules requires that, except with the consent of the Panel, and subject to Rule 2.11 of the Takeover Rules, the Company must send the Scheme Document to Company Shareholders within 28 days of the announcement of a firm intention to make an offer, being this Announcement.

On October 19, 2025, the Panel agreed to grant its consent to a derogation from Rule 24.1(b) as amended by Section 3(7) of Appendix 4 of the Rules.

There is a requirement to file the Proxy Statement (which will also include the Scheme Document) with the SEC in connection with the Scheme. The preparation of the Proxy Statement may take more than 28 days. Also, the SEC may elect to review the Proxy Statement. This review process may take 10 days or longer to complete. Under SEC rules, the Proxy Statement may not be mailed to Company Shareholders until such review is complete (such review to be deemed complete if the SEC has not affirmatively notified the Company on or prior to the tenth (10th) calendar day after filing the Proxy Statement of any comments or intent to review the Proxy Statement). The Panel granted the derogation on the basis that the Scheme Document cannot be sent until the SEC's review of the Proxy Statement is completed. The Proxy Statement (which will also contain the Scheme Document) will be mailed to Company Shareholders as soon as practicable after a definitive Proxy Statement is filed with the SEC.

19. Tax

Each holder of Company Shares is advised to consult his, her or its independent professional advisor regarding the tax consequences of the Acquisition.

20. Documents on Display

Copies of the following documents will, subject to certain restrictions relating to persons resident in Restricted Jurisdictions, be made available on the Company's website at www.avadel.com and on Alkermes' website at www.alkermes.com by no later than 12:00 p.m. noon (U.S. Eastern Time) on the business day following the date of this Announcement:

22.7 DISCLOSURE REQUIREMENTS OF THE TAKEOVER RULES

Under the provisions of Rule 8.3(a) of the Takeover Rules, any person who is 'interested' (directly or indirectly) in 1% or more of any class of 'relevant securities' of the Company must make an 'opening position disclosure' following the commencement of the 'offer period'. An 'opening position disclosure' must contain the details contained in Rule 8.6(a) of the Takeover Rules, including, among other things, details of the person's 'interests' and 'short positions' in any 'relevant securities' of the Company. An 'opening position disclosure' by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. (U.S. Eastern Time) on the day falling ten 'business days' following the commencement of the 'offer period'. Relevant persons who deal in any 'relevant securities' prior to the deadline for making an 'opening position disclosure' must instead make a 'dealing' disclosure as described below.

Under the provisions of Rule 8.3(b) of the Takeover Rules, if any person is, or becomes, 'interested' in (directly or indirectly) 1% or more of any class of 'relevant securities' of the Company, that person must publicly disclose all 'dealings' in any 'relevant securities' of the Company during the 'offer period', by no later than 3:30 p.m. (U.S. Eastern Time) on the 'business day' following the date of the relevant transaction.

If two or more persons cooperate on the basis of any agreement either express or tacit, either oral or written, to acquire an 'interest' in 'relevant securities' of the Company or any securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Rules.

In addition, each of the Company and any offeror must make an 'opening position disclosure' by no later than 12:00 noon (U.S. Eastern Time) on the date falling ten 'business days' following the commencement of the 'offer period' or the announcement that first identifies a securities exchange offeror, as applicable, and disclose details of any 'dealings' by it or any person 'acting in concert' with it in 'relevant securities' during the 'offer period', by no later than 12:00 noon (U.S. Eastern Time) on the business day following the date of the transaction (see Rules 8.1, 8.2 and 8.4).

A disclosure table, giving details of the companies in whose 'relevant securities' 'opening position' and 'dealings' should be disclosed can be found on the Irish Takeover Panel's website at www.irishtakeoverpanel.ie.

"Interests" in securities arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks in this section are defined in the Takeover Rules, which can be found on the Irish Takeover Panel's website. If you are in any doubt as to whether or not you are required to disclose an 'opening position' or 'dealing' under Rule 8, please consult the Irish Takeover Panel's website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel on telephone number +353 1 678 9020.
