

## **CIBC World Markets Health Care Conference to Webcast Alkermes' Corporate Presentation**

October 30, 2002

CAMBRIDGE, Mass., Oct 30, 2002 (BUSINESS WIRE) -- Alkermes, Inc. (NASDAQ: ALKS) announced today that its corporate presentation will be webcast live by CIBC on Monday, November 4, 2002 at 10:30am EST. The presentation will be webcast live and may be accessed under the investor relations tab at [www.alkermes.com](http://www.alkermes.com). The presentation will be archived for 30 days.

Alkermes' senior management will present an overview of the company at 10:30am EST on Monday, November 4, 2002, from The Plaza Hotel in New York.

Alkermes is a leader in the development of products based on sophisticated drug delivery technologies. We have several areas of focus, including (i) controlled, sustained-release of injectable drugs lasting several days to several weeks, using our ProLease(R) and Medisorb(R) technologies and (ii) the development of pharmaceutical products based on our proprietary AIR(TM) pulmonary technology. In addition to the headquarters and research and manufacturing facilities in Cambridge, Massachusetts, the company has a manufacturing facility in Chelsea, Massachusetts and a research and manufacturing facility in Ohio.
