April 27, 2006

CAMBRIDGE, Mass., Apr 27, 2006 (BUSINESS WIRE) -- Alkermes, Inc. (Nasdaq: ALKS) announced today that Morgan Stanley will webcast a corporate update on Thursday, May 4, 2006 at 8:45 a.m. EDT. The presentation will be webcast from The Mandarin Oriental Hotel in Miami, Florida and may be accessed under the investor relation's tab at [www.alkermes.com](http://www.alkermes.com). The presentation will be archived for 14 days.

Alkermes, Inc. is a pharmaceutical company that develops products based on sophisticated drug delivery technologies to enhance therapeutic outcomes in major diseases. The Company has two commercial products. RISPERDAL(R) CONSTA(R) ((risperidone) long-acting injection), the first and only long-acting atypical antipsychotic medication approved for use in schizophrenia, is marketed worldwide by Janssen-Cilag (Janssen), a wholly owned division of Johnson & Johnson. VIVITROL(TM) (naltrexone for extended-release injectable suspension) is the first and only once-monthly injectable medication approved for the treatment of alcohol dependence. The Company has a pipeline of extended-release injectable products and pulmonary drug products based on its proprietary technology and expertise. Alkermes' product development strategy is twofold: the Company partners its proprietary technology systems and drug delivery expertise with several of the world's finest pharmaceutical companies; and it also develops novel, proprietary drug candidates for its own account. The Company's headquarters are in Cambridge, Massachusetts, and it operates research and manufacturing facilities in Massachusetts and Ohio.
