

Alkermes Announces Webcast of Presentation at the Adams, Harkness & Hill's Annual Summer Seminar

July 31, 2002

CAMBRIDGE, Mass., Jul 31, 2002 (BUSINESS WIRE) -- Alkermes, Inc. (NASDAQ: ALKS) announced today that its corporate presentation will be webcast live by Adams, Harkness & Hill on Thursday, August 8, 2002 at 10:30am EDT. Alkermes' management will provide a corporate overview of the company. The presentation will be webcast live from the Marriott Long Wharf Hotel in Boston. To access the audio webcast go to <http://custom.viavid.com/ahh>. The webcast will be available for 30 days.

Alkermes is a leader in the development of products based on sophisticated drug delivery technologies. We have several areas of focus, including (i) controlled, sustained-release of injectable drugs lasting several days to several weeks, using our ProLease(R) and Medisorb(R) technologies and (ii) the development of pharmaceutical products based on our proprietary AIR(TM) pulmonary technology. In addition to our Cambridge, Massachusetts, headquarters, research and manufacturing facilities, Alkermes operates research and manufacturing facilities in Ohio and a medical affairs office in Cambridge, England.
