Item 2.01 Completion of Acquisition or Disposition of Assets

On November 21, 2019, Alkermes plc (the “Company”) completed its previously announced acquisition of Rodin Therapeutics, Inc., a privately held biopharmaceutical company (“Rodin”), pursuant to the Agreement and Plan of Merger (the “Merger Agreement”), dated as of November 14, 2019, by and among the Company, Alkermes, Inc., an indirect wholly-owned subsidiary of the Company (the “Buyer”), Thinker Merger Sub, Inc., a wholly-owned subsidiary of the Buyer (“Merger Sub”), Rodin, and Shareholder Representative Services LLC, as the representative of the former equityholders of Rodin (the “Rodin Equityholders”). The acquisition was effected through the merger of Merger Sub with and into Rodin, with Rodin continuing as the surviving entity and a wholly-owned subsidiary of the Buyer (the “Merger”). The Company will account for the Merger as an asset acquisition.

At the closing of the Merger, the Buyer paid the Rodin Equityholders an upfront cash payment of \$100 million (subject to customary adjustments set forth in the Merger Agreement).

Under the terms of the Merger Agreement, and subject to the conditions and adjustments set forth therein, the Rodin Equityholders will also be eligible to receive future payments of up to \$850 million upon achievement by the acquired development candidates of certain specified clinical, regulatory and sales milestones (collectively, the “Future Milestone Payments”). The Company guaranteed all payment obligations of the Buyer under the Merger Agreement to the extent such obligations become due and payable.

The Merger Agreement contains customary representations, warranties, covenants and other provisions, including indemnification obligations of the Buyer and the Rodin Equityholders for, among other matters, breaches of representations, warranties and covenants, in each case subject to the limitations specified in the Merger Agreement.

The foregoing description of the Merger Agreement does not purport to be complete, provides only a summary of the material terms of the Merger Agreement and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures, may be made for the purpose of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries of the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or the condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties in the Merger Agreement may change after the date of the Merger Agreement, which changes may or may not be fully reflected in the Company’s public disclosures.

Item 7.01 Regulation FD Disclosure.

On November 25, 2019, the Company issued a press release announcing the completion of the Merger. A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated by reference in this Item 7.01.

RECITALS

WHEREAS, the respective Boards of Directors of the Buyer, Merger Sub and the Company have each determined that it is advisable and in the best interests of the Buyer, Merger Sub and the Company, respectively, and their respective stockholders that the Company be acquired by the Buyer;

WHEREAS, the acquisition of the Company shall be effected through a merger of Merger Sub with and into the Company, with the Company surviving the merger as a wholly owned subsidiary of the Buyer;

WHEREAS, following the approval of this Agreement by the Board of Directors of the Company, (a) the Company has delivered the Consent Solicitation to holders of all of the outstanding Company Shares and (b) as an inducement to the willingness of the Buyer and Merger Sub to enter into this Agreement, holders of [**] of the outstanding Company Shares (the “Required Stockholders”) have signed the written consent, joinder, release and waiver attached hereto as Exhibit A, which, in accordance with Section 228(c) of the DGCL, shall be effective as of immediately after the execution and delivery of this Agreement (the “Written Consent”); and

WHEREAS, as an inducement to the willingness of the Buyer and Merger Sub to enter into this Agreement, each Person named on Schedule 1 has executed a non-competition agreement in the form attached hereto as Exhibit B;

NOW THEREFORE, in consideration of the mutual representations, warranties, covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each of the Parties, and intending to be legally bound, the Parties hereby agree as follows:

**ARTICLE I
THE MERGER**

1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, Merger Sub shall merge with and into the Company at the Effective Time. From and after the Effective Time, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Corporation. The Merger shall have the effects set forth in Section 259 of the DGCL.

1.2 The Closing. The Closing shall take place at the offices of Wilmer Cutler Pickering Hale and Dorr LLP, 60 State Street, Boston, Massachusetts 02109, commencing at 10:00 a.m. local time on the Closing Date.

1.3 Certain Actions.

(a) At least four (4) Business Days prior to the Closing Date, the Company shall deliver to the Buyer a certificate, in form and substance satisfactory to the Buyer (the "Pre-Closing Certificate"), duly executed by the chief executive officer and chief financial officer of the Company and setting forth:

(i) the Company's good faith and reasonable estimates and calculations of the following: (A) Closing Cash ("Estimated Closing Cash"); (B) the Company Expense Amount (the "Estimated Company Expense Amount"); (C) the Company Debt Amount (the "Estimated Company Debt Amount"); (D) the Employee Obligations Amount (the "Estimated Employee Obligations Amount"); and (E) Closing Net Working Capital ("Estimated Net Working Capital"); and

(ii) a complete and accurate listing of each item of Company Expenses, Company Debt and Employee Obligations included in the calculations of the Estimated Company Expense Amount, the Estimated Company Debt Amount and the Estimated Employee Obligations Amount, respectively.

The Pre-Closing Certificate shall be accompanied by (A) reasonable detailed supporting documentation (including an estimated balance sheet of the Company as of the Closing prepared in accordance with GAAP and in the form and format of Exhibit C); (B) an updated Allocation Schedule; (C) wire transfer instructions for the payment and satisfaction of all Company Expenses and copies of invoices submitted by each payee of Company Expenses confirming that all amounts payable to them for services rendered through the Closing in connection with the Merger or the other transactions contemplated by the Agreement will be paid in full (and all of the Company's liabilities in respect thereof will be fully discharged) upon each such payee's receipt of the amount included within the Company Expense Amount; (D) payoff letters in form and substance satisfactory to the Buyer for the payment and satisfaction of all Company Debt, including wire transfer instructions for the payment thereof and a complete release of the Company (and all of its rights, properties and assets) from all Security Interests (other than Permitted Interests) and liabilities with respect to such Company Debt, duly executed by each Person to whom such Company Debt is owed, effective upon the discharge of such Company Debt at the Closing; (E) instructions for the payment and satisfaction of all Employee Obligations; and (F) wire transfer

instructions for the delivery of the Company Equityholder Representative Expense Amount. If prior to the Closing, the Buyer objects in good faith to the Company's determination of Estimated Closing Cash, the Estimated Company Expense Amount, the Estimated Company Debt Amount, the Estimated Employee Obligations Amount and/or Estimated Net Working Capital, then, for purposes of calculating the Closing Merger Consideration, each such item disputed by the Buyer shall be as reasonably determined by the Buyer.

(b) At the Closing:

(i) the Company shall deliver to the Buyer and Merger Sub the various certificates, instruments and documents referred to in Section 6.1 (other than the items described in Sections 6.1(a)(i) and 6.1(i), which shall be delivered to the Buyer and Merger Sub prior to the Closing in accordance with the terms of this Agreement);

(ii) the Buyer and Merger Sub shall deliver to the Company the items referred to in Sections 6.2(d) and 6.2(e);

(iii) the Buyer shall cause the Certificate of Merger to be filed with the Secretary of State of the State of Delaware; and

(iv) the Buyer shall:

(A) pay or cause to be paid (in accordance with the applicable wire transfer instructions accompanying the Pre-Closing Certificate) the Company Expenses identified in the Pre-Closing Certificate to the Persons to whom such Company Expenses are owed (as set forth in the Pre-Closing Certificate);

(B) pay or cause to be paid (in accordance with the applicable wire transfer instructions accompanying the Pre-Closing Certificate) the Company Debt identified in the Pre-Closing Certificate to the Persons to whom such Company Debt is owed (as set forth in the Pre-Closing Certificate);

(C) deposit or cause to be deposited the Escrow Amount with the Escrow Agent to be held in accordance with and subject to the terms and conditions of the Escrow Agreement;

(D) deliver or cause to be delivered the Company Equityholder Representative Expense Amount to the Company Equityholder Representative in accordance with the applicable wire transfer instructions accompanying the Pre-Closing Certificate; and

(E) pay or cause to be paid (by wire transfer) to the Payment Agent an amount in cash equal to the portion of the Closing Merger Consideration payable pursuant to clause (i) of Section 1.5(a).

1.4 Additional Actions. The Surviving Corporation may, at any time after the Effective Time, take any action, including executing and delivering any document, in the name and on behalf of either the Company or Merger Sub, necessary in order to consummate the transactions contemplated by this Agreement.

1.5 Conversion of Company Shares; Conversion of Merger Sub Shares. At the Effective Time, by virtue of the Merger and without any action on the part of any Party or the holder of any Company Share:

(a) Conversion of Company Shares. Each Company Share that is issued and outstanding as of immediately prior to the Effective Time (other than any Dissenting Share or any Company Share referenced in Section 1.5(b)) shall be canceled and converted into the right of the holder thereof to receive, without interest and subject to Section 1.14, (i) the Per Share Closing Stock Consideration Amount, (ii) if any Future Payment becomes payable pursuant to the terms of this Agreement, such Company Share's Equityholder Pro Rata Share of such Future Payment, and (iii) if any Stockholder Adjustment Payment becomes payable pursuant to the terms of this Agreement and the Escrow Agreement, such Company Share's Stockholder Pro Rata Share of such Stockholder Adjustment Payment, in each case as set forth on the Allocation Schedule.

(b) Cancellation of Treasury Stock. Any Company Shares held in the Company's treasury immediately prior to the Effective Time shall be canceled and retired without payment of any consideration therefor.

(c) Capital Stock of Merger Sub. Each share of common stock, \$0.0001 par value per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and thereafter evidence one share of common stock, \$0.0001 par value per share, of the Surviving Corporation.

1.6 Dissenting Shares.

(a) Notwithstanding anything to the contrary contained in this Agreement, Dissenting Shares shall not be converted into or represent the right to receive any portion of the Aggregate Merger Consideration in accordance with Section 1.5(a), but shall entitle the holder thereof only to such rights as are granted by the DGCL to a holder of Dissenting Shares.

(b) If any Dissenting Shares shall lose their status as such (through failure to perfect or otherwise), then such shares shall automatically be deemed to have been converted, as of the Effective Time, into and shall represent only the right to receive any portion of the Aggregate Merger Consideration otherwise payable in respect thereof pursuant to this Agreement, without interest thereon, upon surrender of the certificate formerly representing such shares in accordance with Section 1.10.

(c) The Company shall give the Buyer (i) prompt notice of any demand for appraisal received by the Company prior to the Effective Time delivered pursuant to and in accordance with the DGCL, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the DGCL that relates to such demand and (ii) the opportunity to direct all negotiations and proceedings with respect to any such demand, notice or instrument. The Company shall not settle or make any payment or settlement offer prior to the Effective Time with respect to any such demand, notice or instrument unless the Buyer shall have given its prior written consent to such settlement, payment or settlement offer.

1.7 Certificate of Incorporation and By-laws; Directors and Officers.

(a) The Certificate of Incorporation of the Surviving Corporation immediately following the Effective Time shall be amended and restated to read in its entirety in the form attached as Exhibit D.

(b) The Buyer shall cause the By-laws of the Surviving Corporation to be amended and restated in their entirety so that, immediately following the Effective Time, they are identical to the By-laws of Merger Sub as in effect immediately prior to the Effective Time, except that all references to the name of Merger Sub therein shall be changed to refer to the name of the Company.

(c) The directors of Merger Sub immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, and the officers of Merger Sub immediately prior to the Effective Time shall be the initial officers of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and By-laws of the Surviving Corporation.

1.8 No Further Rights. From and after the Effective Time, no Company Shares shall be deemed to be outstanding, and holders of certificates formerly representing Company Shares shall cease to have any rights with respect thereto, except as provided herein or by Law.

1.9 Closing of Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed and no transfer of Company Shares shall thereafter be made. If, after the Effective Time, certificates formerly representing Company Shares are presented to the Buyer or the Surviving Corporation, they shall be canceled and exchanged for the applicable amounts payable, if any, in respect of such Company Shares pursuant to Section 1.5, subject to the provisions of Article VII and subject further to applicable Law in the case of Dissenting Shares.

1.10 Appointment of Payment Agent; Exchange of Shares.

(a) Prior to the Effective Time, the Buyer shall appoint Acquiom Financial LLC, as the payments administrator (the "Payment Agent") to effect the payment and distribution of the Aggregate Merger Consideration that becomes payable pursuant to Section 1.5 in exchange for Company Certificates pursuant to an agreement to be entered into prior to the Effective Time by the Payment Agent, the Buyer and the Company Equityholder Representative in the form of Exhibit E (the "Payment Agent Agreement"). Promptly (and in no event more than two (2) Business Days) following the Effective Time, the Buyer shall cause the Payment Agent to send a notice and a letter of transmittal in the form of Exhibit F (a "Letter of Transmittal") to each holder of a Company Certificate whose address appears in the Company's books and records advising such holder of the effectiveness of the Merger and the procedure for surrendering to the Payment Agent such Company Certificate in exchange for the amounts payable (or that become payable) to such holder pursuant to Section 1.5.

(b) Each holder of a Company Certificate, upon surrender thereof to the Payment Agent, together with a completed and signed Letter of Transmittal and any other documents reasonably requested by the Payment Agent, in accordance with the instructions set forth therein, shall be entitled to receive in exchange therefor (subject to Section 1.14) (i) any

portion of the Closing Merger Consideration payable to such holder pursuant to Section 1.5, (ii) if any portion of any Future Payment becomes payable under this Agreement, such holder's Equityholder Pro Rata Share of such Future Payment to such holder pursuant to Section 1.5, and (iii) if any portion of any Stockholder Adjustment Payment becomes payable under this Agreement and the Escrow Agreement, such holder's Stockholder Pro Rata Share of such Stockholder Adjustment Payment to such holder pursuant to Section 1.5. Until surrendered in accordance with this Section 1.10(b) or as otherwise contemplated by Section 1.10(d), each Company Certificate shall be deemed for all purposes to evidence only the right to receive the cash amounts payable pursuant to Section 1.5.

(c) If any payment is to be made to or in the name of a Person other than the Person in whose name the Company Certificate surrendered in exchange therefor is registered, it shall be a condition to such payment that (i) the Company Certificate so surrendered shall be transferable, and shall be properly assigned, endorsed or accompanied by appropriate stock powers, (ii) such transfer shall otherwise be proper, and (iii) the Person requesting such transfer shall pay to the Payment Agent any transfer or other Taxes payable by reason of the foregoing or establish to the satisfaction of the Payment Agent and the Buyer that such Taxes have been paid or are not required to be paid. Notwithstanding the foregoing, neither the Payment Agent nor any Party shall be liable to a Company Stockholder for any amount payable to such Company Stockholder pursuant to Section 1.5 that is delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws.

(d) In the event any Company Certificate shall have been lost, stolen or destroyed, upon (i) the making of an affidavit of that fact by the Person claiming such Company Certificate to be lost, stolen or destroyed, (ii) delivery by such Person of an agreement (in form and substance satisfactory to the Buyer) to indemnify the Buyer against any claim that may be made against the Buyer with respect to the Company Certificate alleged to have been lost, stolen or destroyed and (iii) for any Company Certificate evidencing consideration payable pursuant to clause (i) of Section 1.5(a) in excess of \$250,000, delivery by such Person of a bond in such sum as the Buyer may reasonably direct the Payment Agent to require, the Payment Agent shall deliver to the holder of Company Shares formerly represented by such lost, stolen or destroyed Company Certificate the cash amounts payable (or that may become payable), if any, pursuant to Section 1.5.

(e) Any amount made available to the Payment Agent in accordance with this Agreement that remains unclaimed by the Person entitled to such amount six (6) months after such amount is made available to the Payment Agent shall be returned to the Buyer and any Person who has not completed the exchange procedures set forth in this Section 1.10 shall thereafter look only to the Buyer for delivery of the portion of the consideration that such Person is entitled to receive pursuant to Section 1.5, without any interest thereon.

1.11 Company Equityholder Representative.

(a) By (i) their (A) execution of a Letter of Transmittal, Option Surrender Agreement and/or Warrant Surrender Agreement, (B) approval of the Merger and adoption of this Agreement and/or (C) participation in the Merger and receipt of the benefits thereof, including the right to receive any consideration pursuant to this Agreement, and/or (ii) the consummation of the

Merger, each of the Company Equityholders (as of the Effective Time) shall be deemed to have approved the designation of, and hereby irrevocably (subject only to Section 1.11(e)) appoints Shareholder Representative Services LLC as the representative, attorney-in-fact and agent of the Company Equityholders for all purposes in connection with the transactions contemplated by this Agreement, the Payment Agent Agreement and the Escrow Agreement and in any litigation or arbitration involving this Agreement, the Payment Agent Agreement or the Escrow Agreement, and any agreements ancillary hereto or thereto. In connection with such designation and appointment, the Company Equityholder Representative, from and after the Closing, is authorized to do or refrain from doing all further acts and things, and to execute all such documents as the Company Equityholder Representative shall deem necessary or appropriate, and, without limitation of the foregoing, shall have the power and authority to:

(i) act for some or all of the Company Equityholders with regard to all matters pertaining to this Agreement, the Payment Agent Agreement and/or the Escrow Agreement;

(ii) receive the Company Equityholder Representative Expense Amount to be used for the purposes contemplated by this Agreement;

(iii) give and receive all notices on behalf of the Company Equityholders required or contemplated to be given under this Agreement, the Escrow Agreement and/or the Payment Agent Agreement;

(iv) on behalf of the Company Equityholders, negotiate, resolve and settle any disputes or claims regarding the Adjustment Amount (or any component thereof), achievement of the Milestone Events, the determination of any Milestone Payment and any claims for indemnification under Article VII;

(v) act for the Company Equityholders to transact matters of litigation;

(vi) execute and deliver all amendments, waivers, ancillary agreements, certificates and documents that the Company Equityholder Representative deems necessary or appropriate in connection with the consummation of the transactions contemplated by this Agreement, the Payment Agent Agreement or the Escrow Agreement, including delivering any update to or correction, amendment or modification of the Allocation Schedule permitted by Section 1.16;

(vii) do or refrain from doing, on behalf of the Company Equityholders, any further act or deed that the Company Equityholder Representative deems necessary or appropriate in the Company Equityholder Representative's discretion relating to the subject matter of this Agreement, the Payment Agent Agreement or the Escrow Agreement, in each case as fully and completely as the Company Equityholders could do or refrain from doing if personally present;

(viii) on behalf of the Company Equityholders, give any written direction to the Payment Agent or the Escrow Agent; and

(ix) on behalf of all Company Equityholders, receive service of process in connection with any claims under this Agreement, the Payment Agent Agreement and/or the Escrow Agreement.

(b) All decisions and actions of the Company Equityholder Representative on behalf of the Company Equityholders shall be deemed to be facts ascertainable outside of this Agreement and shall be binding upon all Company Equityholders, and no Company Equityholder shall have the right to object, dissent, protest or otherwise contest the same.

(c) At the Effective Time, the Buyer shall pay the Company Equityholder Representative Expense Amount to the Company Equityholder Representative, which Company Equityholder Representative Expense Amount shall be maintained by the Company Equityholder Representative in a segregated account, which will be used solely for the purposes of paying directly, or reimbursing the Company Equityholder Representative for, any third party expenses pursuant to this Agreement and the agreements ancillary hereto. The Company Equityholders will not receive any interest or earnings on the Company Equityholder Representative Expense Amount and irrevocably transfer and assign to the Company Equityholder Representative any ownership right that they may otherwise have had in such interest or earnings. The Company Equityholder Representative will not be liable for any loss of principal of the Company Equityholder Representative Expense Amount other than as a result of its gross negligence or willful misconduct. The Company Equityholder Representative will hold the Company Equityholder Representative Expense Amount separate from its corporate funds, will not use the Company Equityholder Representative Expense Amount for its operating expenses or any other corporate purposes and will not voluntarily make the Company Equityholder Representative Expense Amount available to its creditors in the event of bankruptcy. Upon the determination of the Company Equityholder Representative that retaining any portion of the Company Equityholder Representative Expense Amount is no longer necessary, the Company Equityholder Representative shall deliver any then remaining portion of the Company Equityholder Representative Expense Amount (the "Company Equityholder Representative Account Payment") in accordance with Section 1.16. For Tax purposes, the Company Equityholder Representative Expense Amount will be treated as having been received and voluntarily set aside by the Company Stockholders at the time of Closing.

(d) The Company Equityholder Representative shall act for the Company Equityholders on all of the matters set forth in this Agreement, the Payment Agent Agreement and the Escrow Agreement in the manner that the Company Equityholder Representative believes to be in the best interest of the Company Equityholders. The Company Equityholder Representative is authorized to act on behalf of the Company Equityholders notwithstanding any dispute or disagreement among the Company Equityholders (or any of them). In taking any action as Company Equityholder Representative, the Company Equityholder Representative may rely conclusively, without any further inquiry or investigation, upon any certification or confirmation, oral or written, given by any Person whom the Company Equityholder Representative reasonably believes to be authorized thereunto. The Company Equityholder Representative may, in all questions arising hereunder, rely on the advice of counsel, and the Company Equityholder Representative shall not be liable to any of the Parties or to any Company Equityholder for anything done, omitted or suffered in good faith by the Company Equityholder Representative based on such advice. The Company Equityholder Representative undertakes to perform such

duties and only such duties as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Company Equityholder Representative. The Company Equityholder Representative will incur no liability of any kind with respect to any action or omission by the Company Equityholder Representative in connection with the Company Equityholder Representative's services pursuant to this Agreement and any agreements ancillary hereto, except in the event of liability directly resulting from the Company Equityholder Representative's gross negligence or willful misconduct. The Company Equityholders will indemnify, defend and hold harmless the Company Equityholder Representative from and against any and all losses, liabilities, damages, claims, penalties, fines, forfeitures, actions, fees, costs and expenses (including the fees and expenses of counsel and experts and their staffs and all expense of document location, duplication and shipment) (collectively, "Representative Losses") arising out of or in connection with the Company Equityholder Representative's execution and performance of this Agreement and any agreements ancillary hereto, in each case as such Representative Loss is suffered or incurred; provided, that in the event that any such Representative Loss is finally adjudicated to have been directly caused by the gross negligence or willful misconduct of the Company Equityholder Representative, the Company Equityholder Representative will reimburse the Company Equityholders in the amount of such indemnified Representative Loss to the extent attributable to such gross negligence or willful misconduct. If not paid directly to the Company Equityholder Representative by the Company Equityholders, any such Representative Losses may be recovered by the Company Equityholder Representative from (i) the Company Equityholder Representative Expense Amount, (ii) any amounts in the Escrow Fund at such time as any such amounts would otherwise be payable to the Company Equityholders and (iii) any Milestone Consideration at such time as any such amounts would otherwise be payable to the Company Equityholders; provided, that while this section allows the Company Equityholder Representative to be paid from the aforementioned sources of funds, this does not relieve the Company Equityholders from their obligation to promptly pay such Representative Losses as they are suffered or incurred, nor does it prevent the Company Equityholder Representative from seeking any remedies available to it against the Company Equityholders at law or otherwise (it being understood that the Company Equityholder Representative shall have no recourse against the Buyer or any of its Affiliates (including the Company) for any such Representative Losses or otherwise). In no event will the Company Equityholder Representative be required to advance its own funds on behalf of the Company Equityholders or otherwise. Notwithstanding anything in this Agreement to the contrary, any restrictions or limitations on liability or indemnification obligations of, or provisions limiting the recourse against non-parties otherwise applicable to, the Company Equityholders set forth elsewhere in this Agreement are not intended to be applicable to the indemnities provided to the Company Equityholder Representative under this Section 1.11(d). The foregoing indemnities will survive the Closing, the resignation or removal of the Company Equityholder Representative or the termination of this Agreement.

(e) The Company Equityholder Representative may resign at any time. In the event the Company Equityholder Representative becomes unable to perform the Company Equityholder Representative's responsibilities hereunder or resigns from such position, the Company Equityholders (acting by a written instrument signed by those Company Equityholders set forth on Schedule 1.11(e) (the "Representative Committee") shall select another representative to fill the vacancy of the Company Equityholder Representative within ninety (90) days after such inability to perform or resignation, and such substituted representative shall, upon notice to the Buyer, be deemed to be the Company Equityholder Representative for all purposes of this

Agreement; provided that, if, within ninety (90) days after such inability to perform or resignation, such signed written instrument from the Representative Committee is not obtained, Adam Rosenberg shall be deemed the Company Equityholder Representative until the Representative Committee appoints a successor. The Company Equityholder Representative may be removed only upon delivery of written instrument to the Buyer signed by the Representative Committee appointing a successor Company Equityholder Representative.

(f) For all purposes of this Agreement:

(i) from and after the Effective Time, the Buyer shall be entitled to rely conclusively on the instructions and decisions of the Company Equityholder Representative as to all matters arising under this Agreement, including the settlement of any disputes or claims under this Agreement, or any other actions required or permitted to be taken by the Company Equityholder Representative hereunder, and no Party or any Company Equityholder shall have any cause of action against the Buyer for any action taken by the Buyer in reliance upon the instructions or decisions of the Company Equityholder Representative, absent manifest error;

(ii) the provisions of this Section 1.11 (and the power and authority granted to the Company Equityholder Representative hereunder) are independent and severable, are irrevocable (subject only to Section 1.11(e)) and coupled with an interest sufficient at law to support an irrevocable power and shall be enforceable notwithstanding any rights or remedies that any Company Equityholder may have in connection with the transactions contemplated by this Agreement; and

(iii) the provisions of this Section 1.11 shall be binding upon the executors, heirs, legal representatives, personal representatives, successor trustees and successors of each Company Equityholder, and any references in this Agreement to a Company Equityholder shall mean and include the successors to the rights of each applicable Company Equityholder hereunder, whether pursuant to testamentary disposition, the laws of descent and distribution or otherwise.

1.12 Post-Closing Adjustment. The Closing Merger Consideration shall be adjusted after the Closing as follows:

(a) Within [**] following the Closing Date, the Buyer shall deliver, or cause to be delivered, to the Company Equityholder Representative an unaudited balance sheet of the Company (the "Preliminary Closing Date Balance Sheet") as of the Closing prepared in accordance with GAAP and in the form and format of Exhibit C, together with the Buyer's calculation of the Adjustment Amount (and each component thereof) based on the Preliminary Closing Date Balance Sheet.

(b) Subject to the resolution of any disputes pursuant to this Section 1.12, within five (5) Business Days after the determination of the Final Closing Date Balance Sheet (as defined below), (i) if the Adjustment Amount is negative, the Buyer shall be entitled to a payment in an amount equal to the Adjustment Amount, which shall be treated as a downward adjustment to the Closing Merger Consideration for Tax purposes and (ii) if the Adjustment Amount is positive, the Company Equityholders shall be entitled to a payment from the Buyer in an aggregate amount equal to the Adjustment Amount, which shall be treated as an upward adjustment to the Closing Merger Consideration for Tax purposes.

(c) If the Buyer is entitled to a payment pursuant to Section 1.12(b), the Buyer and the Company Equityholder Representative shall, within two (2) Business Days after the determination of the Final Closing Date Balance Sheet, deliver to the Escrow Agent a joint instruction letter signed by each such Party instructing the Escrow Agent to disburse from the Escrow Fund an amount in cash equal to the Adjustment Amount to one or more accounts designated by the Buyer. If the Adjustment Amount exceeds the available Escrow Fund (as reduced by claims for indemnification pursuant to Article VII which have previously been satisfied from the Escrow Amount), the Company Equityholders shall immediately pay the Buyer their respective Equityholder Pro Rata Share of the amount of such excess. If the Company Equityholders are entitled to a payment pursuant to Section 1.12(b), the Buyer shall pay the Adjustment Amount in accordance with Section 1.16.

(d) As of the thirtieth (30th) day following the delivery thereof to the Company Equityholder Representative, the Preliminary Closing Date Balance Sheet shall be final, binding and conclusive on the Parties and all Company Equityholders for purposes of this Section 1.12 unless, prior to such thirtieth (30th) day, the Company Equityholder Representative shall have notified the Buyer in writing of each item on the Preliminary Closing Date Balance Sheet disputed by the Company Equityholder Representative, specifying the amount thereof in dispute and setting forth, in reasonable detail, the basis for such dispute. In the event of such a dispute, the Buyer and the Company Equityholder Representative shall work in good faith to reconcile their differences. If the Buyer and the Company Equityholder Representative are unable to reach a resolution within twenty (20) days after receipt by the Buyer of the Company Equityholder Representative's written notice of such dispute, the Buyer and the Company Equityholder Representative shall submit the items remaining in dispute for resolution to the Neutral Accountant, which shall, within thirty (30) days of such submission, determine and report to the Company Equityholder Representative and the Buyer upon such remaining disputed items, and such report shall be final, binding and conclusive on all Parties and the Company Equityholders, absent manifest error. In resolving any disputed items, the Neutral Accountant shall apply the accounting principles described in Section 1.12(a) and, with respect to each disputed item, the Neutral Accountant shall select a value that is equal to (or between) the respective values presented by the Buyer and the Company Equityholder Representative. The Neutral Accountant shall act as an expert and not as an arbitrator. A Preliminary Closing Date Balance Sheet that has either not been challenged, has been reconciled by the Parties, or has been revised by the Neutral Accountant to reflect its determinations pursuant to this Section 1.12, is referred to herein as the "Final Closing Date Balance Sheet" and shall be final, binding and conclusive on all Parties and the Company Equityholders for purposes of this Section 1.12. The fees and disbursements of the Neutral Accountant shall be allocated equally between the Buyer, on the one hand, and the Company Equityholder Representative (on behalf of the Company Equityholders), on the other hand. The Parties agree that the procedures set forth in this Section 1.12(d) for resolving disputes with respect to the Preliminary Closing Date Balance Sheet or the calculation of the Adjustment Amount shall be the sole and exclusive procedures for resolving any such disputes, provided that nothing herein shall preclude any Party from instituting litigation in a court of competent jurisdiction to enforce the determination of the Neutral Accountant or any agreement of the Parties with respect to the resolution of any such dispute and nothing herein shall limit or impair any of the Buyer's rights or remedies under Article VII.

(e) All amounts paid pursuant to this Section 1.12 shall be treated as adjustments to the Aggregate Merger Consideration for all Tax purposes unless otherwise required by Law.

1.13 Treatment of Company Options, Company Restricted Shares and Company Warrants.

(a) Company Options. As of the Effective Time, each Company Option that is outstanding and unexercised immediately prior to the Effective Time (whether vested or unvested), shall be canceled without any action on the part of any holder of such Company Option in consideration for the right to receive, subject to the execution and delivery by the holder of such Company Option of an Option Surrender Agreement with respect thereto and to any withholding in accordance with Section 1.14, in full satisfaction of the rights of such holder with respect thereto, (i) no later than the first ordinary payroll of the Company the cutoff date for which is at least ten (10) Business Days after the Effective Time, the cash amount (without interest) equal to such Company Option's Equityholder Pro Rata Share of the Closing Merger Consideration, minus (B) the aggregate exercise price of such Company Option, plus (ii) no later than thirty (30) days after any Future Payment becomes payable in accordance with this Agreement, the cash amount (without interest) equal to such Company Option's Equityholder Pro Rata Share of such Future Payment. Prior to the Effective Time, the Company shall take all actions necessary or desirable in connection with the treatment of Company Options contemplated by this Section 1.13(a).

(c) Company Warrants. Prior to the Effective Time, the Company shall take all action necessary to cause the holder of each Company Warrant that is outstanding as of immediately prior to the Effective Time to execute a warrant surrender agreement in the form attached hereto as Exhibit G (a "Warrant Surrender Agreement"). Each such Company Warrant shall be exercised in full for cash as of immediately prior to the Effective Time in accordance with the terms thereof and the shares issued thereupon shall be treated as Company Shares in accordance with Section 1.5(a).

1.14 Withholding Rights. Notwithstanding anything to the contrary, each of the Buyer and the Surviving Corporation, the Payment Agent and the Escrow Agent will be entitled to deduct and withhold from any consideration otherwise payable pursuant to this Agreement to any Person, such amounts as may be required to be deducted and withheld with respect to the making of such payment under the Code or any other Law. To the extent that amounts are so deducted or withheld, and paid over to the applicable Governmental Entity, such deducted or withheld amounts will be treated for all purposes of this Agreement as having been paid to such Person in respect of which such deduction or withholding was made.

1.15 Milestone Payments. Subject to the terms of this Agreement, including Section 1.15(b) hereof, the Company Equityholders shall be entitled to certain contingent cash payments determined as set forth below (collectively, the “Milestone Consideration”):

(a) Milestone Payments. The Buyer shall pay interest on any Milestone Payment that is not paid on or before the date such payment is due under this Agreement at an annual rate equal to [**] in effect on the date such payment was required to be made, calculated on the total number of days payment is delinquent (provided that no interest shall accrue on amounts disputed in good faith by the Buyer).

(vii) Each of the Company Equityholders, by his, her or its execution of a Written Consent, an Option Surrender Agreement, a Warrant Surrender Agreement, a Letter of Transmittal and/or receipt of Aggregate Merger Consideration hereunder, acknowledges and agrees that, subject only to Section 1.15(b)(i), (A) the Buyer shall be entitled to conduct the business of the Buyer and its Affiliates (including, after the Closing, the business of the Company and including in each case with respect to the Milestone Products) in a manner that is in the best interests of the Buyer and its and Parent's stockholders and the Buyer shall have the absolute right and sole and absolute discretion to operate and otherwise make decisions with respect to the conduct of the business of the Buyer and its Affiliates (including, after the Closing, the business of the Company and including in each case with respect to the Milestone Products) and to take or refrain from taking any action with respect thereto; (B) the Buyer or an Affiliate of the Buyer may currently or in the future offer products or services that compete, either directly or indirectly, with the Milestone Products and may make decisions with respect to such products and services that may adversely affect the achievement of one or more of the Milestone Events (including ceasing development of the Milestone Products); and (C) absent a breach by the Buyer of this Agreement, neither the Buyer nor any of its Affiliates shall have any liability whatsoever to any Company Equityholder or any other Person for any claim, loss or damage of any nature that arises out of or relates in any way to any decisions or actions affecting whether or not or the extent to which the Milestone Consideration becomes payable in accordance with this Section 1.15.

(viii) The Buyer's maximum aggregate liability for any and all breaches by the Buyer of its obligations under this Section 1.15 shall be limited to the unpaid portion, if any, of any Milestone Consideration. Nothing herein or elsewhere shall constitute a guarantee by the Buyer of the achievement of any or all of the Milestone Events or the payment of any or all of the Milestone Consideration. Neither the Buyer nor any of its Affiliates or any of its or their respective representatives has made any representation or warranty whatsoever, express or implied, regarding the Milestone Consideration, the Milestone Events or the achievement thereof, and no Person has relied on any projections, estimates, forecasts, business plans or other information provided by the Buyer with respect to any of the foregoing or otherwise.

(ix) The right of any Company Equityholder to receive any amounts with respect to Milestone Consideration (A) shall not be evidenced by a certificate or other instrument, (B) shall not be assignable or otherwise transferable by such Company Equityholder, except by will, intestacy, upon death or by operation of Law, or to an Affiliate of such Company Equityholder for no consideration (provided that, as a condition to such transfer, such transferee agrees to be bound by the transfer restrictions set forth herein), and (C) does not represent any right other than the right to receive the consideration set forth in this Section 1.15. (d) If, at any time after the Closing, the Buyer effects a Divestiture to a third party (the “Transferee”), the Buyer shall: (i) make provision for the Transferee to assume and succeed to the obligations of the Buyer set forth in this Section 1.15 with respect to the applicable Milestone Product(s); and (ii) prior to or simultaneously with the consummation of any such Divestiture, cause such Transferee to provide to the Company Equityholders Representative an instrument of assumption in a reasonable form for the benefit of the Equityholders effecting the assumption and succession described in the foregoing clause (i). [**].

(e) Notwithstanding anything to the contrary in this Agreement, all obligations of Buyer or any member of the Milestone Rights Group set forth in this Section 1.15 shall terminate upon the payment of all Milestone Payments (unless any such obligation otherwise terminates at an earlier time in accordance with this Agreement).

(f) Notwithstanding anything to the contrary set forth in this Agreement, any and all amounts that become payable by the Company or any of its Affiliates (including the Buyer) pursuant to the Broker Obligations with respect to any Milestone Payment shall be deducted from such Milestone Payment and the payment entitlement of the Company Equityholders with respect to such Milestone Payment shall be calculated net of such deduction.

1.16 Future Payments; Stockholder Adjustment Payments; Reliance on Allocation Schedule. From time to time after the Effective Time, the Company Equityholder Representative may, with the written agreement of the Buyer, update, correct or otherwise amend or modify the Allocation Schedule in any manner that is consistent with the express provisions of this Article I and the Certificate of Incorporation. As between the Company Equityholders, on the one hand, and the Buyer and the Surviving Corporation, on the other hand, any amounts delivered by the Buyer to any Company Equityholder (or delivered by the Buyer to the Payment Agent for delivery to any Company Equityholder) in accordance with the Allocation

Schedule in effect from time to time shall be deemed for all purposes to have been delivered to the applicable Company Equityholder in full satisfaction of the obligations of the Buyer and the Surviving Corporation under this Article I.

(a) Each of the Parties (other than the Company Equityholder Representative) shall use its reasonable best efforts to take all actions and to do all things necessary, proper or advisable to consummate the transactions contemplated by this Agreement, including using its reasonable best efforts to ensure that, as applicable, (i) its representations and warranties remain true and correct through the Closing and (ii) the conditions to the obligations of the other Parties to consummate the Merger are satisfied.

(b) Without limitation of the foregoing, the Company shall use its commercially reasonable efforts to obtain, at its expense, all waivers, consents or approvals from other third parties, and to give all notices to such third parties, as are required or desirable in connection with the transactions contemplated by this Agreement, and to obtain releases from all Departing Individuals in form and substance satisfactory to the Buyer.

4.2 Operation of Business. Except as contemplated by this Agreement, during the Pre-Closing Period, the Company shall conduct its operations in the Ordinary Course of Business and in compliance with all applicable Laws, including the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and the regulations promulgated thereunder, the European Union General Data Protection Regulation, and (without limitation of the foregoing) shall maintain all Regulatory Documentation in compliance with all applicable Laws and, to the extent consistent therewith, use its commercially reasonable efforts to continue development [**] in synaptopathies (“Company Development”) up to and including the Closing Date, to continue to conduct all ongoing clinical and pre-clinical trials in accordance with the terms thereof in effect on the date hereof, preserve intact its current business organization, keep its physical assets in good working order and condition, pay its obligations when due, comply with the terms of all material contractual obligations, keep available the services of its current officers and employees and preserve its relationships with suppliers and others having business dealings with it to the end that its goodwill and ongoing business shall not be impaired in any material respect. benefits) contingent on the consummation of the transactions contemplated by this Agreement (within the meaning of Section 280G(b)(2)(A)(i) of the Code) to the extent necessary so that no payment received by such “disqualified individual” shall be a “parachute payment” under Section 280G(b) of the Code (determined without regard to Section 280G(b)(4) of the Code). Such vote shall establish the disqualified individual’s right to the payment or other compensation, and the Company shall use commercially reasonable efforts to obtain any required waivers or consents from the disqualified individual prior to the vote. In addition, the Company shall provide adequate disclosure to the Company Stockholders of all material facts concerning all payments to any such disqualified individual that, but for such vote, could be deemed “parachute payments” under Section 280G of the Code in a manner that satisfies Section 280G(b)(5)(B)(ii) of the Code and the regulations promulgated thereunder. The Buyer and its counsel shall be given the right to review and provide reasonable comments on all documents required to be delivered to the Company Stockholders in connection with such vote and any required disqualified individual waivers or consents within a reasonable period of time before taking such actions, and the Company shall reflect all reasonable comments of the Buyer thereon. In no event shall the Buyer nor any Persons acting on its behalf communicate with any employee, customer or service provider of the Company without the prior written consent (not to be unreasonably withheld, conditioned or delayed and it being agreed that failure by the Company to respond within 24 hours shall constitute consent) of the Company (electronic mail being sufficient); provided, however, that the Buyer shall not be prohibited from contacting (x) suppliers, distributors or other material business relations of the Company (i) in the Ordinary Course of Business and not related to the Merger or (ii) in connection with obtaining any consent or waiver or providing any notice necessary or desirable in connection with the transactions contemplated hereby, or (y) any employee or consultant of the Company regarding the employment or other service providing relationship of such employee or consultant with the Buyer or any of its Affiliates following the Closing.

(g) any Company Debt (except to the extent such Company Debt is taken into account in the calculation of the Adjustment Amount);

(h) any Company Expenses (except to the extent such Company Expenses are taken into account in the calculation of the Adjustment Amount);

(i) any claim for indemnification, exculpation and/or the advancement or reimbursement of expenses by any Person who was an officer or director of the Company or any Subsidiary at any time prior to the Closing, or any claim of a similar nature made by any such Person in any such capacity, in each case made in connection with any matter for which the Buyer is entitled to indemnification hereunder;

(j) any claim by any Departing Individual or former employee from whom the Company has not obtained a release in form and substance reasonably satisfactory to the Buyer arising from or related to such Person's employment by the Company prior to their termination of employment;

(k) any claim for indemnification by the Escrow Agent under the Escrow Agreement, or the Payment Agent under the Payment Agent Agreement, against the Buyer to the extent resulting from any action or omission of the Company Equityholder Representative;

(l) any amounts payable under the German Employee Inventorship Act with respect to pre-Closing inventions of Company Intellectual Property;

(m) any obligations of the Company pursuant to the Broker Obligations (except, with respect to any payment obligation, to the extent such payment obligation is taken into account in the calculation of the Adjustment Amount or deducted from any Milestone Payment pursuant to Section 1.15(f) of this Agreement); or

(n) any Fraud by or on behalf of the Company or any of its representatives in connection with the transactions contemplated by this Agreement.

7.2 Indemnification by the Buyer. Subject to Section 7.3(g), the Buyer shall defend and indemnify each Company Equityholder in respect of, and hold such Company Equityholder harmless against and will compensate and reimburse such Company Equityholder for, any and all Losses incurred or suffered by such Company Equityholder following the Closing resulting from, relating to or constituting (irrespective of whether such Losses relate to or arise out of a Third-Party Action):

(a) any inaccuracy in any representation or breach of any warranty of the Buyer or Merger Sub contained in this Agreement or any other agreement or instrument furnished by the Buyer or Merger Sub to the Company pursuant to this Agreement, whether as of the date of this Agreement or as of the Closing Date; or

(b) any breach or nonperformance of (or noncompliance with) any covenant or agreement of the Buyer contained in this Agreement.

7.3 Indemnification Claims.

(a) The Indemnified Party shall give written notification to the Indemnifying Party of the commencement of any Third-Party Action that the Indemnified Party expects may result in a claim for indemnification pursuant to this Article VII. For purposes of this Agreement, (i) "Indemnifying Party," shall mean (A) in the case of a claim for indemnification by the Buyer, the Company Equityholder Representative on behalf of the Company Equityholders (except for provisions relating to an obligation to make or a right to receive any payments) and (B) in the case of a claim for indemnification by any Company Equityholder, the Buyer and (ii) "Indemnified Party," shall mean (A) in the case of a claim for indemnification against the Buyer, the Company Equityholder Representative on behalf of the applicable Company Equityholder or Company Equityholders (except for provisions relating to an obligation to make or a right to receive any payments) and (B) in all other cases, the Buyer. Such notification shall be given within twenty (20) calendar days after receipt by the Indemnified Party of notice of such Third-Party Action, and shall describe in reasonable detail (to the extent known by the Indemnified Party) the facts constituting the basis for such Third-Party Action and the amount of the claimed damages; provided, however, that no delay or failure on the part of the Indemnified Party in so notifying the Indemnifying Party shall relieve the Indemnifying Party of any liability or obligation hereunder except to the extent of any damage or liability caused by or arising out of such failure.

(b) The Indemnifying Party shall be entitled, at its own and sole expense (and in the case of the Company Equityholder Representative, at the Company Equityholders' expense), to participate in any defense of such Third-Party Action, or by giving written notice to the Indemnified Party within twenty (20) days after delivery of the written notification described in Section 7.3(a), to assume the defense of any Third-Party Action at the Indemnifying Party's expense (and in the case of the Company Equityholder Representative, at the Company Equityholders' expense), and by the Indemnifying Party's own counsel, and the Indemnified Party shall cooperate in good faith in such defense (it being understood that, prior to and during such twenty (20)-day period, the Indemnified Party is hereby authorized (but not obligated) to file any

motion, answer or other pleading and to take any other action which the Indemnified Party shall deem necessary or appropriate to protect the Indemnified Party's interests in connection with such Third-Party Action); provided that (i) the Indemnifying Party may only assume control of such defense if (A) it acknowledges in writing to the Indemnified Party that any damages, fines, costs or other liabilities that may be assessed against the Indemnified Party in connection with such Third-Party Action constitute Losses for which the Indemnified Party shall be indemnified fully pursuant to this Article VII, (B) if the Buyer is the Indemnified Party, the *ad damnum* in such Third-Party Action, taken together with the estimated costs of defense thereof and the Claimed Amount with respect to any unresolved claims for indemnification then pending, is less than or equal to the current balance of the Escrow Fund, and (C) if the Buyer is the Indemnified Party, an adverse resolution of the Third-Party Action would not have a material adverse effect on the goodwill or reputation of the Buyer or the business, operations or future conduct of the Buyer and (ii) if the Buyer is the Indemnified Party, the Company Equityholder Representative may not assume control of the defense of any Third-Party Action involving Taxes, any Governmental Entity or criminal liability or in which equitable relief is sought against the Buyer or any of its Affiliates. If the Indemnifying Party does not, or is not permitted under the terms hereof to, so assume control of the defense of a Third-Party Action, the Indemnified Party shall control such defense. The Non-controlling Party may participate in such defense at its own expense (in the case of the Company Equityholder Representative, at the Company Equityholders' expense). The Controlling Party shall thereafter from time to time promptly provide to the Non-controlling Party copies of all pleadings filed and all orders issued in such Third-Party Action, and shall consult in good faith with the Non-controlling Party at reasonable periodic intervals on matters regarding the defense of such Third-Party Action. The fees and expenses of counsel to the Indemnified Party with respect to a Third-Party Action shall be considered Losses for purposes of this Agreement if (x) the Indemnified Party controls the defense of such Third-Party Action pursuant to the terms of Section 5.3(b) or this Section 7.3(b) or (y) the Indemnifying Party assumes control of such defense and the Indemnified Party reasonably concludes that the Indemnifying Party and the Indemnified Party have conflicting interests or different defenses available with respect to such Third-Party Action (in which case the fees and expenses of counsel to the Indemnified Party will only be considered Losses to the extent they relate to or are incurred as a result of those matters involving such conflicting interests or different defenses). The Indemnifying Party shall not agree to any settlement of, or the entry of any judgment arising from, any Third-Party Action without the prior written consent of the Indemnified Party, which shall not be unreasonably withheld, conditioned or delayed; provided that the consent of the Indemnified Party shall not be required if the Indemnifying Party agrees in writing to pay any amounts payable pursuant to such settlement or judgment and such settlement or judgment includes a complete release of the Indemnified Party from further liability and imposes no obligation on the Indemnified Party. Except as provided in Section 7.3(f), the Indemnifying Party shall not be liable for any settlement of, or the entry of any judgment arising from, any such Third-Party Action without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything to the contrary in this Agreement, to the extent there is any conflict between the provisions of this Section 7.3(b) and Section 5.3(b) with regard to any Third-Party Action involving Taxes, Section 5.3(b) shall govern.

(c) In order to seek indemnification under this Article VII, the Indemnified Party shall deliver a Claim Notice to the Indemnifying Party.

(d) Within twenty (20) Business Days after delivery of a Claim Notice, the Indemnifying Party shall deliver to the Indemnified Party a Response, in which the Indemnifying Party shall either: (i) agree that the Indemnified Party is entitled to receive the Claimed Amount or a portion of the Claimed Amount or (ii) dispute that the Indemnified Party is entitled to receive any of the Claimed Amount. If no Response is delivered by the Indemnifying Party within such twenty (20)-Business Day period, the Indemnifying Party shall be deemed to have agreed that all of the Claimed Amount is owed to the Indemnified Party. Acceptance by the Indemnified Party of partial payment of any Claimed Amount shall be without prejudice to its right to claim the balance of any such Claimed Amount.

(e) Except in cases of disputes regarding the determination of the Adjustment Amount (which shall be resolved exclusively in accordance with the procedures set forth in Section 1.12), any Dispute shall be resolved in accordance with Section 10.12. The Indemnifying Party shall deliver to the Indemnified Party, promptly following the resolution of the Dispute (whether by mutual agreement, arbitration, judicial decision or otherwise), payment of any amount required to be paid to the Indemnified Party consistent with the terms of the resolution of the Dispute. If the Buyer seeks to enforce any claim that is the subject of the Dispute pursuant to the Escrow Agreement, the Company Equityholder Representative and the Buyer shall deliver to the Escrow Agent, promptly following the resolution of the Dispute (whether by mutual agreement, judicial decision or otherwise), a written notice executed by both Parties instructing the Escrow Agent as to what (if any) portion of the Escrow Fund shall be distributed to the Buyer (which notice shall be consistent with the terms of the resolution of the Dispute).

(f) Notwithstanding the other provisions of this Section 7.3, if a third party asserts (other than by means of a lawsuit) that the Indemnified Party is liable to such third party for a monetary or other obligation which may constitute or result in Losses for which the Indemnified Party may be entitled to indemnification pursuant to this Article VII, and the Indemnified Party reasonably determines that it has a valid business reason to fulfill such obligation, then (i) the Indemnified Party shall be entitled to satisfy such obligation, without prior notice to or consent from the Indemnifying Party, (ii) the Indemnified Party may subsequently make a claim for indemnification in accordance with the provisions of this Article VII, and (iii) the Indemnified Party shall be reimbursed, in accordance with the provisions of this Article VII, for any such Losses for which it is entitled to indemnification pursuant to this Article VII (subject to the right of the Indemnifying Party to dispute the Indemnified Party's entitlement to indemnification, or the amount for which it is entitled to indemnification, under the terms of this Article VII).

(g) Without limitation of Section 1.11, (i) the Company Equityholder Representative shall have full and exclusive power and authority on behalf of each Company Equityholder to take any and all actions on behalf of, execute any and all instruments on behalf of, and execute or waive any and all rights of, the Company Equityholders under this Article VII; and (ii) the Company Equityholder Representative shall have no liability to any Company Equityholder for any action taken or omitted on behalf of the Company Equityholders pursuant to this Article VII. For the avoidance of doubt, no Person other than a Party may assert a claim for indemnification under this Article VII.

7.4 Survival of Representations and Warranties. Each Party's representations and warranties in this Agreement shall survive the Closing and, except in cases of Fraud, shall expire at 11:59 p.m., Eastern Time, on [**]; provided, however, that the representations and warranties contained in Sections 2.1 (Organization, Qualification and Corporate Power), 2.2 (Capitalization), 2.3(a) (Authorization of Transaction), 2.4(a) (Non-Contravention with Charter Documents), 2.5 (Subsidiaries), 2.9 (Tax Matters), 2.12(c) (Intellectual Property - Ownership), 2.21 (Permits and Regulatory Matters), 2.24 (Certain Business Relationships With Affiliates), 2.25 (Brokers' Fees) and 2.28 (Company Debt) (collectively, the "Fundamental Representations") shall survive the Closing until [**]. If an Indemnified Party delivers to the Indemnifying Party, before expiration of a representation or warranty a Claim Notice based upon a breach of such representation or warranty, then the applicable representation or warranty shall survive until, but only for purposes of, the resolution of any claims arising from or related to the matter covered by such notice. The rights to indemnification set forth in this Article VII shall not be affected by (a) any investigation or due diligence conducted by or on behalf of the Indemnified Party or any knowledge acquired (or capable of being acquired) by the Indemnified Party, whether before or after the date of this Agreement or the Closing Date, with respect to the inaccuracy or noncompliance with any representation, warranty, covenant, obligation or otherwise which is the subject of indemnification hereunder or (b) any waiver by the Buyer or Merger Sub of any closing condition relating to the accuracy of representations and warranties or the performance of or compliance with agreements and covenants. Nothing in this Section 7.4 shall be construed to limit the survival of covenants, agreements and obligations that by their terms are to be performed or observed after the Effective Time or for which another time period is specified in this Agreement. It is the express intent of the Parties hereto that, if the applicable survival period for an item as contemplated by this Section 7.4 is shorter than the statute of limitations that would otherwise have been applicable to such item, then, by contract, the applicable statute of limitations with respect to such item shall be reduced to the shortened survival period contemplated hereby. The Parties hereto further acknowledge that the time periods set forth in this Section 7.4 for the assertion of claims under this Agreement are the result of arm's-length negotiation between the Parties and that they intend for the time periods to be enforced as agreed by the Parties.

7.5 Limitations.

(a) Notwithstanding anything to the contrary herein, other than for claims asserting Fraud or breach of any Fundamental Representation, and subject to the provisions of Section 10.14, the Company Equityholders shall not be liable under Section 7.1(a) unless and until the aggregate Losses under Section 7.1(a) for which they or it would otherwise be liable under this Article VII exceed [**] (the "Threshold Amount") at which point the Company Equityholders shall become liable for all such Losses from the first dollar.

(b) Other than for claims asserting Fraud, or breach of any Fundamental Representation, (a) the aggregate liability of the Company Equityholders under Section 7.1(a) shall not exceed [**] and (b) [**].

(c) Except as expressly set forth herein or in such agreement (including Section 7.5(g)) or document executed by such Company Stockholder in connection with this Agreement, each Company Stockholder shall be liable, severally and not jointly (except to the extent a claim for indemnification under Section 7.1 is satisfied from the available Escrow Fund, in which case

the liability of the Company Stockholders shall be joint and several), up to such Company Stockholder's Stockholder Pro Rata Share of the amount of Losses payable by the Company Stockholders to the Buyer hereunder or in any agreement or document executed by such Company Stockholder in connection with this Agreement, provided that the amount of such Losses recoverable from any Company Stockholder as of any time shall not exceed such Company Stockholder's Transaction Proceeds actually paid or payable (due to the actual achievement of a Milestone Event) to such Company Stockholder as of such time.

(d) Subject to the provisions of Section 7.5(g) and Section 10.14, from and after the Closing, the remedies set forth in this Article VII shall be the exclusive remedies of the Parties (other than the Company Equityholder Representative) with respect to the transactions contemplated by this Agreement.

(e) No Company Stockholder shall have any right of contribution against the Company or the Surviving Corporation with respect to any breach by the Company of any of its representations, warranties, covenants or agreements.

(f) Notwithstanding anything to the contrary in this Agreement, for purposes of determining (i) whether there has been a breach of any representation or warranty set forth in Article II or the Company Closing Certificate and (ii) the amount of Losses for which the Buyer may be entitled to indemnification under this Article VII, each such representation or warranty (other than the representations and warranties set forth in Section 2.7 and in Section 2.29) shall be deemed to have been made without any qualifications or limitations as to materiality (including any qualifications or limitations made by reference to a Company Material Adverse Effect).

(g) Notwithstanding anything to the contrary in this Agreement (including this Section 7.5), nothing in this Agreement shall limit the Buyer's rights or remedies under Section 10.14 or the Buyer's rights or remedies or the liability of any Company Equityholder in claims involving (i) Fraud on the part of such Company Equityholder in connection with the transactions contemplated by this Agreement or (ii) the breach of any covenant or agreement of such Company Equityholder set forth in any agreement or document executed by such Company Equityholder in connection with this Agreement that is to be performed in whole or in part after the Closing; provided, that, except for material and willful breaches or material and intentional breaches by any Company Equityholder, the amount of Losses recoverable from any Company Equityholder for breach of a post-Closing covenant or agreement of such Company Equityholder as of any time shall not exceed such Company Equityholder's Transaction Proceeds actually paid or payable (due to the actual achievement of a Milestone Event) to such Company Equityholder as of such time.

(h) Notwithstanding anything to the contrary in this Agreement (including this Section 7.5), the Buyer's maximum aggregate liability for any and all breaches of Section 1.15 by the Buyer shall be limited to the unpaid portion, if any, of any Milestone Consideration.

(i) Any indemnification hereunder for Losses with respect to Taxes shall not include any Losses with respect to Taxes to the extent they arise directly as a result of any breach of the Buyer's obligations set forth in Section 5.4 or 5.5 or as a result of any transaction of the Buyer or any of its Affiliates not in the Ordinary Course of Business (other than transactions contemplated hereunder) that occurs on the Closing Date but after the Closing. Notwithstanding

anything in this Agreement to the contrary, the Buyer shall not be entitled to any indemnification hereunder (i) for Losses with respect to Taxes for a Post-Closing Tax Period as a result of a breach of a representation or warranty set forth in Section 2.9, with the exception of Sections 2.9(c), (f) or (l) or (ii) for Losses with respect to the inability of the Buyer or any of its Affiliates (including the Surviving Corporation) to utilize any Tax asset or attribute of the Company (e.g., net operating losses) from a Pre-Closing Tax Period in a Post-Closing Tax Period.

(j) The exclusive means for the Buyer to recover any Losses for which it is entitled to indemnification under Section 7.1 from the holders of Company Options shall be the Buyer's rights under Section 7.6.

7.6 Set-Off Rights.

(a) Subject to the limitations in Sections 7.5 and 7.7, the Buyer shall have the right and is hereby authorized by the Company Equityholders (including for the avoidance of doubt, the holders of all Company Options) at any time and from time to time to withhold from, and set off and apply against, the payment of any and all Milestone Consideration (including, for the avoidance of doubt, the portion thereof payable to holders of Company Options) the amount of any Losses claimed in a Claim Notice delivered by the Buyer hereunder, including the Buyer's good faith estimate of any Losses identified in such Claim Notice that have not been liquidated (any amount so withheld pursuant to this Section 7.6, the "Set-Off Amount").

(b) If the Buyer exercises its rights pursuant to Section 7.6(a) and withholds a Set-Off Amount from the payment of any Milestone Consideration, the Buyer shall notify the Company Equityholder Representative thereof in writing (the "Set-Off Notification") no later than two (2) Business Days after the payment of such Milestone Consideration becomes due and payable pursuant to Section 1.15, which Set-Off Notification shall be accompanied by the applicable Claim Notice.

(c) If the Buyer exercises its rights pursuant to Section 7.6(a) and withholds a Set-Off Amount from the payment of any Milestone Consideration with respect to any Losses specified in a Claim Notice, then promptly following the final resolution of the claim for indemnification set forth in such Claim Notice, the Buyer shall cause the Company Equityholders to be paid the amount, if any, by which the Set-Off Amount exceeds the amount of Losses to which the Buyer has been finally determined to be entitled in connection with such resolution.

7.7 Manner of Payment; Release of Escrow.

(a) With respect to any payment that the Company Stockholders are obligated to make to the Buyer pursuant to Article VII (i) first, to the extent there is sufficient amount available in the Escrow Fund, such payment shall be made by release of funds to the Buyer from the Escrow Fund by the Escrow Agent within two (2) Business Days after the date written notice of any sums due and owing is delivered to the Escrow Agent pursuant to the Escrow Agreement by the joint instructions of Company Equityholder Representative and the Buyer, which release shall accordingly reduce the Escrow Fund, and (ii) second, to the extent the Escrow Funds are insufficient to pay any remaining sums due, then the Buyer shall have the option to (A) set off such amount in accordance with Section 7.6 or (B) receive payment from each Company

Stockholder (on a several and not joint basis) by wire transfer of immediately available funds within ten (10) Business Days after the determination of the amount of Losses thereof; provided, that, in the event that at the time that such indemnification payment is due a Milestone Event has occurred but the corresponding Milestone Payment has not been made by the applicable member of the Milestone Rights Group, then the Buyer or any Affiliate thereof shall set off the amount of any such indemnification claim against such Milestone Payment in accordance with Section 7.6.

(b) On [**], the Escrow Agent shall release the then remaining Escrow Fund (to the extent not utilized to pay the Buyer for any indemnification claim) to the Payment Agent (on behalf of the Company Stockholders in accordance with the Allocation Schedule), except that the Escrow Agent shall retain an amount (up to the total amount then-held by the Escrow Agent) equal to the amount of claims for indemnification under this Article VII asserted prior to [**] but which are not yet resolved (“Unresolved Claims”). The amount of the Escrow Fund retained for Unresolved Claims shall be released by the Escrow Agent (to the extent not utilized to pay the Buyer for any such claims resolved in favor of the Buyer) upon their final and binding resolution in accordance with this Article VII and the Escrow Agreement.

7.8 No Duplication.

(a) For purposes of this Agreement, Losses shall be calculated after giving effect to any amounts actually recovered from third parties, including amounts recovered under insurance policies (for the avoidance of doubt, excluding any self-insurance program or similar arrangement) with respect to such Losses, and the net of any costs to recover such amounts.

(b) Any Losses for indemnification under this Agreement shall be determined without duplication of recovery due to the facts giving rise to such Losses constituting a breach of more than one representation, warranty, covenant or agreement.

7.9 Tax Treatment of Indemnification Payments. All amounts paid under this Article VII shall be treated as adjustments to the Aggregate Merger Consideration for all Tax purposes unless otherwise required by Law.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. The Parties may terminate this Agreement prior to the Closing (whether before or after the effectiveness of the Written Consent), as provided below:

(a) the Buyer and Company may terminate this Agreement by mutual written consent;

(b) the Buyer may terminate this Agreement by giving written notice to the Company if the Closing shall not have occurred on or before the thirtieth (30th) day following the date hereof by reason of the non-satisfaction of any condition precedent under Section 6.1 (unless the non-occurrence of the Closing results primarily from a breach or nonperformance by the Buyer or Merger Sub of any representation, warranty, covenant or agreement contained in this Agreement);

(c) the Company may terminate this Agreement by giving written notice to the Buyer if the Closing shall not have occurred on or before the thirtieth (30th) day following the date hereof by reason of the non-satisfaction of any condition precedent under Section 6.2 (unless the non-occurrence of the Closing results primarily from a breach by the Company of any representation, warranty, covenant or agreement contained in this Agreement);

(d) the Buyer may terminate this Agreement by giving written notice to the Company (x) if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of the Company set forth in this Agreement, which breach or failure to perform (i) would cause the conditions set forth in Section 6.1(c) or 6.1(d) not to be satisfied and (ii) shall not have been cured or waived within [**] following receipt by the Company of written notice of such breach or failure to perform from the Buyer or (y) there shall have occurred a Company Material Adverse Effect; provided, however, that the right to terminate this Agreement under this Section 8.1(d) shall not be available to the Buyer if the Buyer or the Merger Sub is then in material breach of any representation, warranty or covenant set forth in this Agreement; or

(e) the Company may terminate this Agreement by giving written notice to the Buyer if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of the Buyer or Merger Sub set forth in this Agreement, which breach or failure to perform (i) would cause the conditions set forth in Section 6.2(a) or 6.2(b) not to be satisfied and (ii) shall not have been cured or waived within [**] following receipt by the Buyer of written notice of such breach or failure to perform from the Company; provided, however, that the right to terminate this Agreement under this Section 8.1(e) shall not be available to the Company if the Company is then in material breach of any representation, warranty or covenant set forth in this Agreement.

8.2 Effect of Termination. If any Party terminates this Agreement pursuant to Section 8.1, all obligations of the Parties hereunder shall terminate without any liability of any Party to any other Party; provided, however, that, notwithstanding the foregoing, no Party shall be relieved of its liability for any willful breach of this Agreement prior to such termination and the provisions of Section 1.11(d) and this Section 8.2 shall survive any such termination.

No waiver by any Party with respect to any default, misrepresentation or breach of warranty or covenant hereunder shall be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence. No amendment or waiver effected subsequent to the Closing shall be effective against any Company Equityholder unless such amendment or waiver (a) is signed by the Company Equityholder Representative (acting in accordance with the vote or written consent of the Representative Committee) and (b) either (i) is consented to in writing by such Company Equityholder or (ii) such amendment or waiver applies to all Company Equityholders.

10.10 Severability; Invalid Provisions. 10.11 Governing Law. All matters arising out of or relating to this Agreement and the transactions contemplated hereby (including its interpretation, construction, performance and enforcement) shall be governed by and construed in accordance with the internal Laws of the State

of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of Laws of any jurisdictions other than those of the State of Delaware.

10.12 Submission to Jurisdiction. Subject to Section 1.12(d), each Party (a) consents to submit itself to the exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, New Castle County, or, if that court does not have jurisdiction, a federal court sitting in Wilmington, Delaware in any Legal Proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement, (b) agrees that all claims in respect of such Legal Proceeding may be heard and determined in any such court, (c) agrees that it shall not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and (d) agrees not to bring any Legal Proceeding arising out of or relating to this Agreement or any of the transactions contemplated by this Agreement in any other court. Each Party waives any defense of inconvenient forum to the maintenance of any Legal Proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. 10.14 Specific Performance. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, in each case without posting a bond or undertaking, this being in addition to any other remedy to which they are entitled at Law or in equity. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (a) the Party seeking such remedy has an adequate remedy at Law or (b) an award of specific performance is not an appropriate remedy for any reason at Law or equity.

10.15 Legal Representation

(a) Notwithstanding anything to the contrary contained herein, the Parties intend that all communications at or prior to the Closing between or among the Company, Company Equityholder Representative, any member of the Seller Group, or any of them (collectively, the "Target Group"), on the one hand, and any of their attorneys, on the other hand,

SIG Growth Equity Fund, I, LLP, et al.* (Civil Action No. 7905-CS, November 15, 2013) and desire to expressly exclude the Protected Communication and Associated Rights from the assets, rights, privileges and benefits of the Target Group that might otherwise be transferred or assigned to any member of the Buyer Group by operation of law or otherwise. Notwithstanding the foregoing, in the event that a dispute arises between the Buyer, the Surviving Corporation or any of their respective Subsidiaries and a third party (other than a Party to this Agreement or any of their respective Affiliates) after the Closing, the Surviving Corporation (including on behalf of its Subsidiaries) may assert the attorney-client privilege to prevent disclosure of confidential communications by Goodwin Procter LLP to such third party; provided that neither the Surviving Corporation nor any of its Subsidiaries may waive such privilege without the prior written consent of the Company Equityholder Representative or the Stockholders, as applicable.

Accordingly, ambiguities in this Agreement, if any, shall not be construed strictly or in favor of or against any Party but rather shall be given a fair and reasonable construction without regard to the rule of *contra proferentem*.

(e) Unless the context of this Agreement otherwise requires, (i) words of either gender or the neuter include the other gender and the neuter, (ii) words using the singular number also include the plural number and words using the plural number also include the singular number, (iii) the terms "hereof," "herein," "hereby" and derivative or similar words refer to this entire Agreement as a whole and not to any particular Article, Section or other subdivision, (iv) the words "include," "includes," "including" and other similar words shall be deemed to be followed by the phrase "but not limited to," (v) when a reference is made in this Agreement to any Exhibit or Schedule, such reference shall be to an Exhibit or Schedule to this Agreement unless otherwise indicated, (vi) for any document or other item to have been "delivered," "provided" or "made available" to the Buyer on or prior to the date of this Agreement such document or other item must be deposited at least two (2) Business Days prior to the date hereof into the data room heretofore established by the Company, and (vii) all references to "dollars" or "\$" shall mean United States dollars. It is the intention of the Parties that, to the extent possible, unless provisions are by their terms mutually exclusive and effect cannot be given to both or all such provisions, (i) the representations, warranties, covenants and closing conditions in this Agreement shall be construed to be cumulative, (ii) each representation, warranty, covenant and closing condition in this Agreement shall be given full, separate and independent effect, and (iii) no limitation in or exception to any representation, warranty, covenant or closing condition shall be construed to limit or apply to any other representation, warranty, covenant or closing condition unless such limitation or exception is expressly made applicable to such other representation, warranty, covenant or closing condition. Subject to Section 7.5(d), all remedies, either under this Agreement or by Law or otherwise afforded, shall be cumulative and not alternative. Any disclosure in any section of the Disclosure Schedule shall qualify only (i) the representation or warranty in the corresponding section of Article II and (ii) any other representation or warranty in Article II to the extent the relevance of such disclosure to such other representation or warranty is readily apparent to the Buyer based solely on a reading of the text of such disclosure.

Alkermes Completes Acquisition of Rodin Therapeutics

— *Acquisition Expands Alkermes' Research and Development Efforts to Include Small Molecule Therapeutics for Synaptopathies*

DUBLIN, Ireland, Nov. 25, 2019 — [Alkermes plc](#) (Nasdaq: ALKS) today announced that it has completed its previously announced acquisition of Rodin Therapeutics, Inc. (Rodin), a privately held biopharmaceutical company. This transaction builds on Alkermes' experience in central nervous system (CNS) diseases and expands Alkermes' CNS development efforts into a wide range of neurodegenerative disorders.

Rodin has been working to develop first-in-class, orally-available, brain-permeable therapeutics for synaptopathies by designing molecules that target specific histone deacetylase (HDAC) complexes. This novel approach is designed to reactivate neuronal gene expression, strengthen existing synapses and promote the creation of new synapses, while minimizing known HDAC class-based hematologic safety concerns. Synaptic dysfunction is a pathological feature in many neurodegenerative and neuropsychiatric diseases, and synaptic loss correlates closely with cognitive decline.

At the closing of the transaction, Alkermes made an upfront cash payment of \$100 million (subject to customary adjustments) to Rodin's former security holders.

Under the terms of the definitive agreement between Alkermes and Rodin, and subject to the conditions and adjustments set forth therein, Rodin's former security holders are eligible to receive future payments of up to \$850 million upon achievement by Rodin's development candidates of certain specified clinical and regulatory milestones, and attainment of certain sales thresholds.

For additional details relating to the acquisition, please read [here](#) the press release issued by Alkermes and Rodin on Nov. 18, 2019 to announce the acquisition.

Note Regarding Forward-Looking Statements

Certain statements set forth in this press release constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, as amended, including, but not limited to, statements concerning: the potential therapeutic value of HDAC inhibitors and of the acquired platform and development candidate portfolio; expansion of Alkermes' development efforts to include small molecule therapeutics for synaptopathies and a wide range of neurodegenerative disorders; and the potential future payments to Rodin's former security holders in connection with the transaction. Alkermes cautions that forward-looking statements are inherently uncertain. The forward-looking statements are neither promises nor guarantees and they are necessarily subject to a high degree of uncertainty and risk. Actual performance and results may differ materially from those expressed or implied in the forward-looking statements due to various risks and uncertainties. These risks and uncertainties include, among others: that the preclinical research and data relating to the acquired platform and development candidates may not be predictive of results of future preclinical or clinical studies or real-world results; that regulatory submissions for the acquired development candidates may not occur or be submitted or accepted in a timely manner or at all; that the acquired development candidates will not be developed and approved on the expected timeline or at all, including as a result of clinical trial design or enrollment or as a result of any safety or efficacy issues that may arise as part of any clinical trial; that, even if approved, the market for any such development candidate may be smaller than expected or that Alkermes may not be successful in accessing such market; that the anticipated benefits of the transaction, including expansion of Alkermes' development efforts to include small molecule therapeutics for synaptopathies and a wide range of neurodegenerative

disorders, may not be achieved; and those risks and uncertainties described under the heading “Risk Factors” in Alkermes’ Annual Report on Form 10-K for the year ended Dec. 31, 2018 and in subsequent filings made by the company with the U.S. Securities and Exchange Commission (“SEC”), which are available on the SEC’s website at www.sec.gov. Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Except as required by law, Alkermes disclaims any intention or responsibility for updating or revising any forward-looking statements contained in this press release.
